### **IPUMS-International Integrated Census Microdata Now Available for 69 Countries**

Need census microdata – free of cost? ...in SPSS, SAS, STATA csv, or ASCII format? Go to [www.ipums.org/international](http://www.ipums.org/international) to construct your personal extract from 212 integrated, high precision samples, representing 69 countries (including South Sudan), totaling almost one-half billion person records. Registration is required. Seven short tutorials on how to use the database are posted at: [www.hist.umn.edu/~rmccaa/IPUMSI/ipumsi\\_7tutorials.ppt](http://www.hist.umn.edu/~rmccaa/IPUMSI/ipumsi_7tutorials.ppt)

---

### **National Longitudinal Surveys (NLS) Funding Crisis**

The National Longitudinal Surveys (NLS) program needs your help to make sure that the NLS program receives enough funding to continue past fiscal year 2012. Without support from Congress, the Bureau of Labor Statistics might cut crucial aspects of the NLS program in fiscal year 2013. For information on how you can help please see <http://www.bgsu.edu/downloads/cas/file114649.pdf>.
