*\*Please note the change of date for this workshop.*

Instructor: Hsueh-Sheng Wu

Wednesday, November 14, noon to 1:00 pm

CFDR/NCFMR Conference Room, 7C Williams Hall

---

### Good Luck to Rob Carels!

Dr. Robert Carels and co-investigators Mary Jon Ludy and Lynn Darby submitted an R15 application to NIH titled "Healthy Steps."

---

### RAND Summer Institute – Applications due by March 22, 2013

The annual RAND Summer Institute on the [Demography, Economics, Psychology, and Epidemiology of Aging](#) addresses critical issues facing our aging population. It is comprised of the Workshop on Aging (July 10-11, 2013) and the Mini-Medical School for Social Scientists (July 8-9, 2013). Both workshops will convene at the [RAND Corporation](#) headquarters campus in Santa Monica, California.

---

### Statistical Analysis and Programming Help on the CFDR Website

The CFDR website is an excellent source of [statistical analysis and programming help](#): guides for SAS, SPSS and Stata; annotated output; advanced programming help; and guides for the use of ACS data. All this and more can be found under the Help Resources and Tools link:

<http://www.bgsu.edu/organizations/cfdr/page34547.html>.
