---

### **Williams Institute’s Small Research Grants Program – RFP due April 15**

The Williams Institute’s Small Research Grants program is designed to encourage new empirical research focused on the LGBT population. Applicants from a variety of disciplinary backgrounds, including social sciences (e.g., economics, sociology, demography, social psychology), law, public health, and public policy are encouraged to apply. More information on the Williams Institute and application requirements are at this [link](#).

---

### **Summer Institute in LGBT Population Health - Applications due April 15**

The Summer Institute is hosted annually by The Center for Population Research in LGBT Health at The Fenway Institute. It is a 4-week training program open to graduate students and early career scholars that links promising students to training opportunities they need to improve the methodological rigor of their research and to prepare them for careers in LGBT health and population science. There is no cost for tuition and slots are available for free housing. The 2013 Summer Institute will be held July 15-August 9. For more information, [click here](#).
