New Data and Data Workshop from IPUMS

IPUMS has new data and is hosting a free "Introduction to IPUMS" workshop at the Population Association of America meeting. They will introduce the IPUMS collection, highlighting newly available census and survey data. The event will be held on Thursday, April 27, from 6:30pm-8pm. [Register at this link.](#)

ICPSR Free Data Workshop: Head Start Family and Child Experiences Survey (FACES 2014)

FACES 2014 project leads from Mathematica Policy Research will instruct this two-day data training, introducing researchers to the study's purposes, history, new design, methods, instruments, and data structure; and special analytic issues such as identifying dual language learners and conducting cross-cohort analyses. The workshop is free, but space is limited. To apply, visit the FACES [course page](#). Application deadline: May 22, 2017

Affiliates and Students: Acknowledgment Statement Required for Manuscripts and Presentations

Affiliates and students at NICHD-funded population centers are required to acknowledge population infrastructure support in all of their papers and presentations. Such acknowledgement is critical to convey the impact of federal funding on advances in research. If you have not already done so, please add this statement provided [at this link](#) to your manuscripts and presentations.
