**NIH Funding Opportunity: Health of Sexual and Gender Minority Populations**

This R21 FOA encourages research on the health of lesbian, gay, bisexual, transgender, intersex, and related populations. In reference to LGBTI health, an [Institute of Medicine \(IOM\) Report](#) (March 2011) stated that the "existing body of evidence is sparse and that substantial research is needed." Despite improvements, there remains a need for further research on the health of these populations. More information is at this [link](#).
