### Fragile Families Summer Data Workshop – Applications due March 1<sup>st</sup>

The Columbia Population Research Center is accepting applications for the Fragile Families Summer Data Workshop to be held July 11-13, 2018, at Columbia University in New York City. The workshop is designed to familiarize participants with the data available in the [Fragile Families and Child Wellbeing Study](#), a national study following a birth cohort of (mostly) unmarried parents and their children, providing information about the capabilities, circumstances, and relationships of unwed parents, the wellbeing of their children, and the role of public policy in family and child wellbeing. The workshop is targeted toward early-career scholars from social science disciplines. The online application is available at <http://www.ffworkshop.columbia.edu>.
