

CFDR Update: March 9, 2018

Student Internship Opportunities at the U.S Census Bureau

The Demographic Directorate at the U.S. Census Bureau is recruiting for student interns (**BOC-2018-0429**, Job Series 1599, Pay Grades GS 7/9/11). Applications will be accepted beginning **Friday March 9th** and close once 200 applications are received, or on **March 19th**, whichever occurs first. They seek training in sociology, economics, survey design or data collection, demographic analysis, project and schedule management, and/or quantitative analysis of large datasets. Positions are located in Suitland, MD (a suburb of Washington DC). The vacancy announcement is available at www.USAJobs.gov.

Speaker Series – Wednesday, March 28

Rethinking Responses to School Violence: How Restorative Justice Approaches may Disrupt the School-to-Prison Pipeline

Wednesday, March 28, 12:30-1:30 pm

Bowen-Thompson Student Union, Room 201

CFDR Resource for Population Researchers Interested in NIH Funding

Thinking of applying for NIH/NICHD funding for projects that fall under the categories of demography, reproductive health, or population health? Check out the grants currently being funded by the [Population Dynamics Branch](#) (PDB) to see the kinds of research supported and the mechanisms of support ([R01](#), [R03](#), and [R21](#)). These resources can be found on the [Grants Opportunities](#) page of the CFDR website.

Programming Help – Drop-in Hours Are 2:00-4:00 Tuesdays

Questions about SAS or Stata? Data analyst, Hsueh-Sheng Wu, offers hands-on instruction in each of these statistical programs. Drop-in hours are 2:00-4:00 pm every Tuesday. Please email him to make an appointment if you need to meet outside these hours (wuh@bgsu.edu).
