

CFDR Update: May 4, 2018

CFDR Award Winners at the Population Association of America Meeting

Congratulations to PAA President Wendy Manning on her outstanding address on cohabitation! And congratulations to Susan Brown, Krista Payne and Anna Hammersmith for their award-winning work:

- Susan Brown, winner of the Clifford C. Clogg Award for Mid-Career Achievement in population studies
- Krista Payne, NCFMR Data Analyst, poster award winner for her research, "The Geography of Divorce in the United States: Correlates and Spatial Variation in Divorce"
- Anna Hammersmith, Sociology doctoral student, poster award winner for her research "Marital Biography Interdependence and Health in Later Life."

Call for Papers: Panel Study of Income Dynamics – due June 4th

The Panel Study of Income Dynamics (PSID) welcomes submissions on any topic, from researchers in any field, but with a preference for studies that use data from the PSID Child Development Supplement (CDS). The 2018 PSID Annual User Conference has a special theme: *Child Wellbeing and Outcomes in Childhood, Young Adulthood, and over the Lifecourse*. The conference will be held in Ann Arbor, Michigan, September 13-14, 2018. [Link to PSID](#)

CFDR Summer Statistical Methods Seminar – June 25 and 26

This year's workshop will be on **Item Response Theory**, taught by Tenko Raykov, Michigan State University. Dr. Raykov is the author of a new book on IRT using Stata: <http://www.stata-press.com/books/course-item-response-theory-modeling-stata/>. The 2-day workshop will take place in 1005 Business Administration Building, June 25th and 26th.
