Census Bureau Seeks Comments on 2020 Census and Citizenship Question

On June 8, the Census Bureau published a notice in the Federal Register seeking public comments on 2020 Census data collection operations. The notice stipulates the categories of questions that will be asked on the 2020 Census, including the proposed citizenship question. In response to this announcement, the Population Association of America (PAA) and Association of Population Centers (APC) will be submitting comments. If you have specific opinions you want included in our response, please submit them to [Mary Jo Hoeksema](#), Director, PAA/APC Government Affairs, by July 2. Individual PAA members are also encouraged to submit their own comments. Comments are due by August 7. [The notice provides submission instructions](#). For additional information about PAA's position on this matter, please refer to PAA President Wendy Manning's [statement](#).
