

CFDR Update: February 15, 2019

Workshop on Regression Analysis in Stata – Monday, February 18

Instructor: Hsueh-Sheng Wu

Monday, February 18, 12:30-1:30 pm

CFDR Conference Room, 7C Williams Hall

Regression is one of the most commonly used statistical techniques, yet many struggle linking their research questions to appropriate analyses. The workshop will cover topics ranging from model construction to the interpretation of model results. This is a MUST for all graduate students.
