Department of Sociology, University of Michigan

Wednesday, March 6, 12:30-1:30 pm

Bowen-Thompson Student Union, Room 207

GIS Health Data Workshop – July 22-23, 2019

The [GIS Workshop: Visualizing and Analyzing Health Data](#) is a two-day, intensive workshop that will introduce participants to the fundamental concepts and hands-on techniques of health data visualization and analysis using publicly available, open source GIS programs. It will take place at Columbia University's Mailman School of Public Health in NYC. Students and investigators at all career stages are welcome.

Registration is Open for 2019 ICPSR Summer Program courses

The ICPSR Summer Program offers rigorous, hands-on training in statistics, quantitative methods, and data analysis for students, faculty, and researchers of all skill levels and backgrounds. Participants in the ICPSR Summer Program learn how to understand data and gain valuable research skills that help them to advance their education and careers. To view the full schedule and register, visit www.icpsr.umich.edu/sumprog
