Faculty Research Development Award – Submission deadline August 5th

The submission deadline for the CFDR FDA has been extended to August 5, 2019. The CFDR is pleased to award one to three seed grants with budgets ranging from \$7,500-10,000. All CFDR faculty affiliates are eligible who have not previously been awarded CFDR faculty development funds. Application requirements can be found on our [website](#).

Affiliates and Students: Acknowledgment Statement Required for Manuscripts and Presentations

Affiliates and students at NICHD-funded population centers are required to acknowledge population infrastructure support in all of their papers and presentations, including those in which the first author is not a CFDR affiliate. Such acknowledgment is critical to convey the impact of federal funding on advances in research. If you have not already done so, please add this statement provided [at this link](#) to your manuscripts and presentations.
