

CFDR Update: August 23, 2019

Hate Crime Data Available at ICPSR

Jacob Kaplan's Concatenated Files: [Hate Crime Data 1991-2017](#).

The Hate Crime data is an FBI data set that is part of the annual Uniform Crime Reporting (UCR) Program data. This data contains information about hate crimes reported in the United States. Version 5 adds data in multiple formats. All data were compiled from the FBI, not NACJD.

Congratulations to Kelly Balistreri!

Dr. Balistreri received funding from the Ohio State University Research Foundation for her grant titled "2020 Ohio Medicaid Assessment Survey" which is federal flow through from Ohio Department of Medicaid and HHS.

Call for Papers: Work and Family Researchers Network Conference

The [Work and Family Researchers Network](#) (WFRN) invites submissions for the 2020 Conference, *Advancing Equality at Work and Home: Strengthening Science and Collaboration*, to be held June 24-27, 2020 in New York City. Submissions are due November 11, 2019. [Call for Papers](#).

Affiliates: Recent Publications or Presentations? New Working Papers?

To help us maintain an up-to-date website and to facilitate information collection for our required progress reports, please send us any new working papers and let us know about recent publications and/or presentations.
