Secondary Analyses of Strengthening Families Datasets Grant
The Office of Planning, Research and Evaluation (OPRE) in the Administration for Children and Families, U.S. Department of Health and Human Services has recently published a discretionary research funding announcements titled "Secondary Analyses of Strengthening Families Datasets." They plan to award up to 10 cooperative agreements to fund research to conduct secondary data analysis of archived data. These datasets are from large-scale federal evaluation impact studies, which addressed questions related to healthy marriage and/or responsible fatherhood. Applications are due by October 11, 2019.
