

CFDR Update: April 3, 2020

Grant Opportunity from the William T. Grant Foundation

The next deadline to apply for a William T. Grant Foundation Research Grant is May 6, 2020. They emphasize two focus areas: [reducing inequality](#) and [improving the use of research evidence](#). Please visit their [website](#) to learn more.

Congratulations to Peggy Giordano, Monica Longmore and Wendy Manning!

Drs. Giordano, Longmore and Manning received funding from the National Science Foundation titled, “The Coronavirus Pandemic: Predictors and Consequences of Compliance with Social Distancing Recommendations Designed to Mitigate COVID-19 Spread.”

PAA 2020 Refunds

The PAA Board of Directors has authorized full refunds of registration fees to all registrants. Registration fees may be refunded, transferred to registration for PAA 2021, or converted to a tax-deductible donation. Find out more at this link: <http://www.populationassociation.org/2020/03/13/paa-2020-is-cancelled/>,

Affiliates and Students: Acknowledgment Statement Required for Manuscripts and Presentations

Affiliates and students at NICHD-funded population centers are required to acknowledge population infrastructure support in all of their papers and presentations, including those in which the first author is not a CFDR affiliate. Such acknowledgment is critical to convey the impact of federal funding on advances in research. If you have not already done so, please add the statement provided [at this link](#) to your manuscripts and presentations.
