- **Focus Areas:** (1) reducing inequality and (2) improving the use of research evidence, are focused on young people between ages 5 and 25
- **Award amount:** \$100,000 to \$600,000 for two to three years of support
- **Letters of Inquiry:** Three per year: January, May, and August. The next deadline for LOIs is **August 4, 2021**.

Application guidelines are at <http://wtgrantfoundation.org/grants/research-grants>.

Conference on Emerging Adulthood – November 4-6, 2021

The Society for the Study of Emerging Adulthood is sponsoring its 10th Conference on Emerging Adulthood. The conference theme is “Well-Being During Emerging Adulthood: Challenges & Opportunities”. More information and online registration are at this link: <http://www.ssea.org/conference/2021/index.html>.

Affiliates and Students: Acknowledgment Statement Required for Manuscripts and Presentations

Affiliates and students at NICHD-funded population centers are required to acknowledge population infrastructure support in all of their papers and presentations, including those in which the first author is not a CFDR affiliate. Such acknowledgment is critical to convey the impact of federal funding on advances in research. If you have not already done so, please add the statement provided [at this link](#) to your manuscripts and presentations.
