Good Luck to Krista Westrick-Payne and Wendy Manning!

Drs. Westrick-Payne and Manning submitted an R03 application to NICHD titled, “Archiving Nuptiality Pandemic Data.”

ICPSR 2022 Scholarships

The [ICPSR Summer Program](#) offers many scholarships to enable students to take courses in statistics, data analysis, and quantitative methods during the summer of 2022. Scholarships provide registration fee waivers to their 2022 [four-week sessions](#). The scholarship application portal will open the week of February 14, 2022 and close Monday, March 28, 2022. For more information and to apply, visit the [ICPSR Summer Program Scholarships page](#).
