U.S. Policy Communication Training Program at the Population Reference Bureau

The week-long workshop in Washington, D.C. in June 2023 focuses on the role of research on the policy process and techniques for effective communication of research findings to decisionmakers, media, and nontechnical audiences. More information is available on PRB's website: <https://www.prb.org/work-with-us/call-for-applications/apply-u-s-policy-communication-training-program/>. Application deadline: March 5th.

2023 ICPSR Summer Program in Quantitative Methods – Registration is Open

This summer the Inter-university Consortium for Political and Social Research will offer over 90 courses, workshops, and lectures in research methods, from statistics, measurement, and data analysis, to formal theory and qualitative analysis, and from introductory to advanced levels.
