Association of Population Centers New Working Paper Series

APC has announced the launch of the [APC ArXiv \(APCA\) Working Paper Series](#) which will gather and disseminate original population science research papers. These working papers are authored or coauthored by scholars who are faculty or postdoctoral affiliates of the Association of Population Centers (APC) population centers. Working papers will be archived at [SocArXiv](#). See the moderation procedures [here](#).

Congratulations to Monica Longmore and Team!

Drs. Longmore, Manning and Giordano received R15 funding from NIH for their research titled, "Adaptations to the COVID-19 Pandemic: Pre-Pandemic Continuity and Changes in Emotional Well-Being." Co-investigators on the grant are Drs. Kei Nomaguchi, Gary Oates, and Krista Westrick-Payne.

Good Luck to Peggy Giordano, Wendy Manning, and Monica Longmore!

Drs. Giordano, Manning, and Longmore submitted an R01 application to the National Institute on Aging entitled, "Long-Term Health Effects of Parenting Children with Emotional or Behavioral Problems."
