### **Affiliates and Students: Acknowledgment Statement Required for Manuscripts and Presentations**

Affiliates and students at NICHD-funded population centers are required to acknowledge population infrastructure support in all of their papers and presentations, including those in which the first author is not a CFDR affiliate. Such acknowledgment is critical to convey the impact of federal funding on advances in research. If you have not already done so, please add the statement provided [at this link](#) to your manuscripts and presentations.
