### **Call for Applications: *NextGenPop* Undergraduate Program in Population Research**

*NextGenPop* is an undergraduate program in population research that aims to increase the diversity of the population field and nurture the next generation of population scholars. The program includes a 2-week, in-person, on-campus summer experience and subsequent virtual components focused on research and professional development. This summer 2024, 15 undergraduate students will be hosted by Duke University, June 2-15. The program provides a stipend, room, board, and travel support.
