

My key points for the R15 Research Plan

Specific aims page

- First page of your research plan
- Most important document the entire application
- Format: <http://www.biosciencewriters.com/NIH-Grant-Applications-The-Anatomy-of-a-Specific-Aims-Page.aspx>

Significance and Innovation

- Second page: ½ page for each
- Why is your work important
- How is it unique

Preliminary Data

- Not required but strengthens your proposal

Approach

- Detailed
- Do not be over ambitious
