Bowling Green State University is a tier-one, public university serving 19,000 students on two campuses in northwest Ohio. The University has nationally recognized programs and research in the natural and social sciences, education, arts, business, health and wellness, humanities and applied technologies. BGSU seeks talented individuals to join our community in Bowling Green, Ohio, recognized as one of the “Best College Towns of America.”

Position Summary

Two Instructor positions in Computer Science. Full-time, non-tenure track, renewable.

Primary Responsibilities

The position carries a 24-hour load (4 courses per semester) of lower-division computer science courses, with the possibility of teaching occasional upper division courses, as well. The instructor may also be expected to be involved in service to the department and university.

Minimum Qualifications

- a Master's degree in computer science or a closely related discipline earned before the first date of employment (August 8, 2018)
- experience teaching the Microsoft office suite (Word, Excel, Access, PowerPoint) at Novice and Intermediate Levels as the instructor of record for college-level courses
- experience teaching introductory programming using C++, Python, and/or Java as the instructor of record for college-level courses

Preferred Qualifications

- experience teaching first- and second-year college students majoring in computer science or a closely related discipline
- expertise in C++, Python and Java
Expected Start Date: August 8, 2018

Application Process:

For a complete position description & instructions on how to apply for this position visit https://bgsu.hiretouch.com/. In compliance with the ADA Amendments Act (ADAAA), if you have a disability and would like to request an accommodation in order to apply for a position with Bowling Green State University, please call 419-372-8421.

Credentials Required for Application

Applications must be uploaded into HireTouch by March 4, 2018 and must contain the following to be considered complete:

- a letter of application
- resume / CV
- undergraduate and graduate transcripts (official or unofficial)
- three professional reference letters dated within the last year

The letters of reference should specifically address the applicant's teaching abilities. A statement of teaching philosophy and student evaluations of teaching (if available) are a welcome addition, but not required. Uploaded documents should be in PDF format. An official transcript will be required at the time of employment. BGSU policy requires finalists to authorize and pass a background investigation prior to receiving an offer of employment.

Application Deadline: Must be submitted by March 4, 2018.

Further information: Please contact Ron Conway, Computer Science Search Committee, at rconway@bgsu.edu for questions about the position. For information about the Computer Science department, visit https://www.bgsu.edu/arts-and-sciences/computer-science.html
