Briefly explain the reasons why you should be given special permission to "walk through" the above ceremony although you will not have met all the degree requirements. If permission to walk through is granted, you will not graduate at this ceremony, and your name will not be printed in the program. Students who graduate with honors (cum laude, etc.) have that honor read as their name is announced. No honors designation is announced for a person who walks through. Although you will receive a diploma cover as you walk across the stage, no students receive their diplomas at this time; they are mailed after the degree is granted. Extenuating circumstances are required for permission to walk through. Permission will not normally be given if you are more than one course away from completion of the degree. Whether or not permission is given, you will need to submit an "Application for Graduation" form to this office within the first two weeks of the term when you do intend to graduate.
