- Applications and review forms will be uploaded into Faculty 180. An FIL Application Materials section has been added to the Activities section of Faculty 180.
- Applicants will submit FIL Application Materials as one PDF document: the FIL application background information form, a proposal narrative, a current curriculum vitae, a brief statement from the Chair/Director indicating knowledge of the FIL, and if the applicant desires, a letter (or other evidence) from a colleague or Chair/Director that speaks to the professional development merits to be derived from the FIL activities.

Review procedures for the 2021-2022 application cycle

- Academic units may provide an independent review of FIL applications and submit, via Faculty 180, a review form, and an evaluation feedback form for each application. This decision should be made by the unit in September; contact an Associate Dean for more information.
- Chairs/Directors will provide an independent review of FIL applications and submit, via Faculty 180, a review form, and an evaluation feedback form for each application.
- Deans will provide an independent review of FIL applications and submit, via Faculty 180, a review form, and an evaluation feedback form for each application.
- The Provost will consider all recommendations/advice received when making the final decision on the approval of FIL applications.

Selection

(Article 22, Section 6)

- 6.3. The Provost, upon review of the [REDACTED] advisory evaluations and in consultation with the appropriate Chairs/Directors and Deans, shall assess the merits and potential benefits and ascertain the operational and financial feasibility of all applications.
- 6.3.1. The Provost shall recommend to the President those applications that evidence sufficient merit and potential benefits and have been determined to be feasible.
- 6.3.2. In any case in which a leave is denied solely because of such feasibility problems as department/school staffing needs, the Provost shall attempt to arrange a leave the following academic year.
- 6.3.3. When leave is denied, a letter shall be sent by the Provost to the BUFM explaining the reasons for denying the leave.
- 6.3.4. Decisions regarding allocation of FILs are not grievable; however, process errors may be grieved and shall result in the application being returned to the point of error for reconsideration.
