

Rhetoric & Writing at BGSU

Rhetoric & Writing Notes - Fall 2006

[New Students - Recent Student Publications](#)

[New Faculty - Recent Faculty Publications](#)

[Some NSF Reports](#)

A mix of tradition and innovation begins our fall 2006 issue as we introduce a new design to the Rhetoric & Writing website. Slowly but surely, every aspect of the site will take on this template. Be patient with us as we undergo this change.

In this issue, we not only check in with new and continuing students and faculty in the program, but we also receive a couple progress updates from our most recent NSF recipients
