

FACULTY VACANCY ANNOUNCEMENT

College of Arts & Sciences

Bowling Green State University is a tier-one, public university serving 19,000 students on two campuses in northwest Ohio. The University has nationally recognized programs and research in the natural and social sciences, education, arts, business, health and wellness, humanities and applied technologies. BGSU seeks talented individuals to join our community in Bowling Green, Ohio, recognized as one of the "Best College Towns of America."

Position Title

Assistant Professor, Department of Chemistry, Photopolymer/Materials, full-time, tenure-track

Primary Responsibilities

The primary instructional responsibility of the appointee will be interdisciplinary across the areas of polymer chemistry, the chemistry of materials, and photochemistry. Specific teaching duties would include a rotation within the undergraduate organic curriculum (lecture and lab) and also within the graduate photochemical sciences courses in photochemistry and photophysics. It is also anticipated that the appointee will contribute to special topics courses in the areas of his/her expertise. Most importantly, the appointee will be expected to initiate an independent research program that will generate a high level of scholarly work and will attract significant funding from extramural agencies. The appointee's chosen research programs would preferably be aimed at interfacial areas involving an overlap of polymer chemistry (synthesis and/or characterization) with both the photosciences and materials chemistry.

Minimum Qualifications

- A doctoral degree in Chemistry or a related discipline with a scientifically broadening postdoctoral experience.
- A demonstrated record of accomplishment in the broadly defined areas of polymer chemistry, photochemistry and/or materials chemistry.
- A documented record of undergraduate instruction or potential for instructional expertise.

Salary & Benefits

Competitive and commensurate with peer institution levels for rank and position in keeping with candidate's experience and credentials. Full benefits package available.

Expected Start Date: August 2017

Credentials Required for Application

- Cover letter
- Curriculum vitae with a list of publications
- Statement of research plans
- Statement of teaching interests/philosophy
- Three letters of recommendation sent directly from references

Application Process:

For a complete job description & instructions on how to apply for this position visit <https://bgsu.hiretouch.com/> or contact the Office of Human Resources, BGSU. In compliance with the ADA Amendments Act (ADAAA), if you have a disability and would like to request an accommodation in order to apply for a position with Bowling Green State University, please call 419-372-8421.

Application Deadline: Received by October 24, 2016.

Further Information/Nominations of Candidates:

Please contact: Dr. Malcolm Forbes, Search Committee Chair, forbesm@bgsu.edu

BGSU policy requires finalists to authorize and pass a background investigation prior to receiving an offer of employment.

Bowling Green State University is an Affirmative Action/Equal Opportunity Educator and Employer. We are committed to fostering a diverse and inclusive environment and strongly encourage applications from women, minorities, veterans, and individuals with disabilities regardless of age, gender identity, genetic information, religion, or sexual orientation.

SHORT ADVERTISEMENT

The Department of Chemistry and the Center for Photochemical Sciences at Bowling Green State University invite applications from outstanding individuals to fill an interdisciplinary tenure-track Assistant Professor position in polymer photochemistry whose research interests complement the departmental initiatives in materials. A Ph.D. degree in chemistry or a related discipline is required. Applications should include a cover letter, a CV with publications listed, and statements of research plans and teaching interests/philosophy. For a complete job description & instructions on how to apply for this position visit <https://bgsu.hiretouch.com/> or contact the Office of Human Resources, BGSU. Application deadline: October 24, 2016. Background check required for employment. BGSU is an AA/EEO/Vet employer. We encourage applications from women, minorities, veterans, and persons with disabilities regardless of age, gender identity, genetic information, religion, or sexual orientation.
