### INTRODUCTION

The Academic Year in Austria is an overseas study plan sponsored jointly by the Department of German and Russian of Bowling Green State University and the Modern Language Department of Ohio University, Athens, Ohio. It is held annually in association with the University of Salzburg and has the following features that recommend it to the serious student:

1. a full nine-months period of academic studies, divided into two semesters, and carrying up to 30 semester (equals 45 quarter) hours of credit;
2. a carefully designed curriculum that constitutes a varied program of studies in German and related fields, complementing and expanding the student's major field of concentration;
3. an environment which demands constant use of German;
4. a group program supervised by an American professor, familiar with American university procedures.

### WHO MAY ENROLL?

Although the Academic Year in Austria is established primarily for undergraduate students of Bowling Green State University, it is open to a limited number of able students from other colleges and universities, provided that they satisfy regular university requirements for transient students. All students must have completed at least the first two years of college German or the equivalent, and must have junior standing. They must have a minimum grade point average of 2.25 ("C" plus) in all academic work taken and an average

of 2.5 in courses in German. Students who fail any courses in German during the term preceding the study abroad may be asked to withdraw from the Academic Year program.

Participants will be asked to use the foreign language exclusively throughout the program. All students are expected to abide by regulations governing the program, and the sponsoring institutions reserve the right to require the withdrawal of any student whose moral or academic conduct, including excessive absences, warrants such action.

#### BACKGROUND

The Academic Year in Austria program is operated in the city of Salzburg in cooperation with the University of Salzburg. The University of Salzburg, re-founded in 1962, now offers courses in Liberal Arts, Theology, and Law, and it cooperates closely with the well-known music academy, the Mozarteum. The city of Salzburg, with a population of 110,000, is equally famous as a cultural center and as a vacation city. For years, Salzburg's musical and drama festivals (Salzburger Festspiele) have attracted visitors from all over the world, and the nearby mountains offer excellent facilities for hiking and skiing. Salzburg is located in the north-central section of Austria in the heart of Central Europe, only a few short hours from Munich, Vienna, Venice, Innsbruck, and many other well-known historic cities.

COST OF PROGRAM

As opposed to previous years, the costs of the program and the costs of transportation to the overseas study center have been split. Transportation from the student's hometown to the nearest major airport from Salzburg, Austria, namely Munich, Germany (and back) becomes the independent responsibility of the participant and costs are not included in the program fees. (See the section on "Transportation", below)

The basic fee for 1971-72 will be \$1760.00. (As with the approximate costs of transportation, this figure is subject to some change.) Included in the fee are the following: Tuition for the whole academic year (3 quarters = 2 semesters) at the current level for Bowling Green State University (3 times \$220.00); room (dormitory space) and costs of meals for 275 days (from October 1, 1971 to July 1, 1972; inclusively); cultural events; emergency medical costs (for regular medical expenses see the section on "Insurance"); cultural events; educational and cultural group travel on selected weekends during the academic year; use of certain student facilities; extra tuition costs for specific courses taken at the University of Salzburg; cost of bus travel from Munich to Salzburg (and back) at the start and end of the regular program.

Not included are: U.S. and transatlantic transportation; costs of lodgings and food prior to October 1, 1971 and after July 1, 1972; fees for obtaining U.S. passport, Austrian visa, school supplies,

books, vacation travel during regular vacation periods and before and after the academic year; incidental expenses (clothing, cosmetics, toiletries, individual entertainment costs, etc.). Since personal spending habits vary greatly, and since some students may decide to undertake independent travel before or after the close of the regular academic program, it is difficult to estimate funds which might be spent beyond the program fee and transportation to Europe and back. However, from past experience, an amount from between \$200.00 to \$400.00 as personal money should be sufficient. (Traveler checks are recommended.)

No additional fees are charged to out-of-state students accepted into the program. The over-all fee (excluding transportation) is only one to two hundred dollars over the costs of a year of study at a typical state university.

Overweight baggage charges on group and regular flights is \$2.00 per pound. 44 pounds per person is allowed free.

FINANCIAL ASSISTANCE

A student may obtain a long-term, low-interest loan from his local bank through the State Guaranty Loan Program. The interest

on this loan is paid by the federal government while he is a full-time student and for nine months after he leaves the University. Questions relative to this loan program should be directed to the loan office at the student's local lending institution.

Bowling Green State University has provided a financial reserve with the United Student Aid Fund, Incorporated. This fund was established to assist students in meeting their educational expenses with low-cost, long-term loans. Students interested in borrowing under this program should contact their hometown lending institution. For additional details concerning this loan fund, contact Mr. Richard L. Gordley, Director, Student Financial Aid, Bowling Green State University.

Out-of-state students may be eligible for financial assistance through their own university or state of residence. Bowling Green students holding scholarships or grants may normally apply them toward the costs of the Academic Year Abroad Program.

There are also a limited number of partial fee waivers in amounts of up to \$100 or \$200 available for deserving and well qualified applicants from the home campus (BGSU students). Inquire about applications for these modest fee waiver scholarships at the time of sending in your basic application forms (see toward the end of this brochure for forms and addresses).

#### INSURANCE

Since many students have medical protection through family insurance plans, the purchase of other coverage is not required. However,

the university recommends that every student be insured through a travel accident and sickness policy and a travel personal effects policy. A typical comprehensive policy includes an accident and sickness insurance with coverage of \$10,000.00 loss of life, and \$1,000.00 accident expense. In case of illness, such a policy provides \$20.00 per day for hospital expenses. The travel personal effects policy insures against loss of or damage to personal effects, with the exception of money, tickets, passports, and the like, to the extent of \$500.00.

Medical facilities in Salzburg are very good and comparatively inexpensive. A basic minimum health service program is provided for all participants in the Academic Year Abroad free of charge. It covers emergency treatment, as well as conditions requiring outpatient treatment, including house calls, for minor illnesses or injuries and a referral to specialists in cases of serious illnesses. It does not provide for hospitalization or surgical intervention.

Parents must assume complete responsibility for providing adequate insurance protection for their sons or daughters.

#### APPLICATION PROCEDURE

Locate the application forms (two pages) at the back of this brochure; fill them out carefully and bring or mail them, together with a check or money order for the \$25.00 application fee made out to "Bowling Green State University" to the Office of the Department of German and Russian, Shatzel Hall, Room 139, Bowling Green State University, Bowling Green, Ohio 43403.

Dates: Applications will be accepted starting Monday, January 4, 1971. (Please do not send or bring them earlier.)

Closing date for applications will be Monday, February 15, 1971 (For students from colleges on the semester system, applications will be considered through March 1, in order to allow time for receipt of grade transcripts.)

Students from institutions other than Bowling Green State University must submit official transcripts of all their college grades including the Fall Quarter (Semester) 1970. Arrange for prompt transmittal of these grade transcripts to arrive at the time your application is filed. Send them to the same address as listed above, please.

In the period from February 16 through March 1, 1971, letters indicating acceptance or non-acceptance to the program will be sent. By latest March 15, 1971, all applicants will be notified and the application fee for those not approved for admission into the program will be refunded. A number of applicants will be notified that they have the option to go on a waiting list (in the event that a vacancy occurs.) Application fees for these applicants will be held until final decisions can be made or the student indicates that he does not wish to be on the waiting list any longer.

#### REGISTRATION

Soon after March 15, 1971, official sign-up for courses will be arranged. Bowling Green students who have been accepted are asked to come to the Acting Program Director, Department of German and Russian, Shatzel Hall, to fill out a course registration sheet for the entire academic year abroad. Students from other colleges who have been accepted will be mailed the form and a list of courses

plus instructions. (For a tentative list of courses offered, please see the section "Program of Studies" later in this brochure.)

#### SCHEDULE OF PAYMENTS

The application for admission to the Academic Year Abroad in Salzburg must be accompanied by a non-refundable application fee in the amount of \$25.00. This fee will be applied toward the total cost of the program, but will be refunded only if the applicant is not admitted to the program.

All remaining payments are to be made to the Office of the Bursar, Bowling Green State University. The payment schedule for students who wish to make their payments in installments is as follows:

At time of application	-\$ 25.00
On or before March 31, 1971	-\$ 175.00
On or before May 1, 1971	-\$ 300.00
On or before July 15, 1971	-\$ 300.00
On or before August 15, 1971	-\$ 300.00
On or before September 15, 1971	-\$ 220.00
On or before December 15, 1971	-\$ 220.00
On or before March 15, 1972	-\$ 220.00
	<u>\$1,760.00</u>

(Payments may also be made in full or prepaid earlier, starting March 31, 1971.)

All checks or money orders are to be made out to Bowling Green State University.

#### UNIVERSITY LIABILITY AND REFUNDS

In the event of an insufficient enrollment, a full refund of monies paid (and housing accommodations on the campus for Bowling Green State University students) are guaranteed.

Bowling Green State University reserves the right to make changes in travel dates, costs, or courses if it becomes necessary to do so.

Students withdrawing from the program will be refunded the following amounts, less any unpaid balance of the total of \$1,760.00.

Until June 30, 1971	-\$1,735.00
July 1-Sept. 14, 1971	-\$1,500.00
Sept. 15-Dec. 14, 1971	-\$1,000.00
Dec. 15, 1971-March 14, 1972	-\$ 500.00
After March 15, 1972	-NO REFUND

#### LODGINGS AND MEALS

Students will be housed in modern dormitories. To assure maximum use of the German language, each student will have a German-speaking roommate. Meals are taken independently for purposes of the students' convenience, i.e., students may eat where they choose. There are some cooking facilities in the dormitories, there is the university dining room (quite inexpensive), and there are many restaurants in Salzburg where good food at reasonable prices may be obtained. Each student will be given a per diem amount of \$3.25 (paid out weekly = \$22.75) to pay for the cost of his meals.

#### TRAVEL WHILE ABROAD

Students are free to travel individually during the holiday and recess periods. There will be several weekend group excursions paid for by the program. Students may also remain in Europe after the end of the academic year, if they care to do so. Return transportation should be arranged at the same time original travel plans are made;

this may either be by individual transatlantic travel or group flight.

Student may wish to obtain an International Student Identity Card, which will enable them to get reductions in student restaurants, tickets to museums, and so forth. This card is available from several sources:

1. CIEE Student Travel Services, 777 United Nations Plaza, New York, New York 10017. (You must send \$1.00 application fee, one automat-size photograph (1 3/8" x 3") and a photocopy of proof of full-time student status (bursar's receipt, student I.D. or other document).)
2. National Academic Services, 537 LaGuardia Place, New York, New York 10012. (Send to the above address for application form. Return form with two photos and \$5.00. These should be sent in advance because the student's status has to be verified.)

#### CLASS ARRANGEMENTS

In order to integrate our students into university life in Salzburg, we will follow the Salzburg Calendar (2 semesters). Since the emphasis in the Academic Year Abroad Program is on German language and civilization, all classes will be taught in German. The academic load of a regular undergraduate student will be a minimum of 15 hours per semester. Attendance in class is required.

#### STAFF

The Program Director for 1971-72 will be a member of the staff of the Modern Language Department, Ohio University in Athens, Ohio.

Other teaching personnel will be drawn from the staff of the University of Salzburg.

PROGRAM OF STUDIES

SUPPLEMENT TO THE 1971/72 BROCHURE DESCRIBING  
THE "JUNIOR-YEAR ABROAD in SALZBURG (AUSTRIA)" PROGRAM OF  
BOWLING GREEN STATE UNIVERSITY (Ohio)

July 1971

Several changes and modifications are in force and are contemplated affecting both the coming study-year abroad (1971-72) and the following year (1972-73). Until the new brochure for the year 1972-73 is issued (approximately in November 1971), the basic information in the brochure for 71-72 is valid--except for the changes announced below.

Changes for 1971-72:

Travel and Costs of Transportation: (pp. 5-6) This section has been completely superseded since the brochure was written in December 1971. New group rates and new independent-travel student flight rates announced during 1971 have changed prices and the advisability of group travel. We suggest you contact your travel agent or the travel agency mentioned on p.5, Barker -Bradford of Columbus, Ohio.

Courses Offered: Certain changes in the exact quarter hour credits of the courses listed on p. 13 have been made. One course, Art History 245, has been dropped for the Fall Semester. (It might be offered in the second semester.)

Miscellaneous: By way of a reminder, students are encouraged to take out a comprehensive health insurance if their family does not already carry such insurance on them. The program pays only for minor emergency medical care (such as colds, cuts, and other out-patient care and visits to general physicians.) See section on insurance (pp.7f. The Eurailpass (for unlimited train travel in Europe for specified periods), formerly only obtainable stateside, can now be purchased abroad through American Express agencies.

Projected Changes for the year 1972-73:

Costs: Program costs will definitely be increased. Since tuition is being increased at Ohio State colleges, these changes will be reflected in the program fees. Also, inflation (5-6%) and the upward revaluation of the Austrian currency (5%) will cause increases. These increases could be at least \$300 for the overall program costs. They may even be higher. Out-of-state students will probably not receive fee waivers of the out-of-state fees charged to students who are not residents of the State of Ohio, thus increasing the costs for them considerably.

Travel: Transportation to and from Salzburg (Austria) will, as in 1971-72, be the responsibility of the student. Any arrangement that will permit the student to check in on the date of the program's start is acceptable to the program.

Housing, Courses, Cultural Activities: The details of these items are subject to change, depending on arrangements made by the program. Generally, we will attempt to offer a wide variety of courses as before, will provide the best student housing available (there is a considerable housing shortage in Austria), and hope to arrange for certain group events including cultural travel and activities as part of the actual program.
