INTRODUCTION

The Bowling Green State University Academic Year in Salzburg, Austria, is designed to help American students perfect language skills in German and gain first-hand knowledge of the culture of German-speaking countries while earning academic credit in a variety of subject areas. Classes are taught in German by Austrian professors and the American Director. Students are housed in dormitories with Austrian students.

Description

The Bowling Green Salzburg Program is officially recognized by the University of Salzburg. The program will be in its fifteenth year of operation during the 1982-83 academic year. (A special feature of the program is its liaison with the Mozarteum, one of the finest schools of music in Europe.) Qualified students of music enrolled in the Bowling Green program may receive instruction at the Mozarteum. Under BGSU's two-year M.A. and M.A.T. programs, graduate students in German and related areas may do up to two semesters of their course work at the University of Salzburg.

Unique Features

The University of Salzburg, originally founded in 1622 and reopened in 1962, offers courses in the humanities, sciences, law, and theology. The city of Salzburg, with a population of 140,000, is famous both for its beauty and cultural life and its scenic alpine surroundings. For years, Salzburg's music and drama festivals (Salzburger Festspiele, Mozartwoche) have attracted visitors from all over the world, and the nearby mountains offer excellent facilities for hiking and skiing. Salzburg is located in the north central section of Austria, in the heart of central Europe, and is within easy access of Munich, Vienna, Prague, Venice, Innsbruck, and many other European cities.

UNDERGRADUATE PROGRAM

SPECIAL PROGRAM FEATURES

- 1) Students need not be German majors or minors to participate.
- 2) The program offers a balanced curriculum of especially designed courses in German language, literature and culture, as well as offerings in history, music, art, education, political science, geography, and for the first time during the current year, a course in business German. The program guarantees a full year's academic credit.
- 3) Linguistically qualified students may also enroll in regular University of Salzburg courses in lieu of some of the program offerings.
- 4) The program is supervised by an American professor familiar with American and European university life.
- 5) Group travel to places of cultural interest and group outings are regular features of the program; the generous vacations at Christmas, Easter and between semesters allow ample time for independent travel.
- 6) Housing arrangements encourage contact with Austrian students. Students in the BGSU program live in several different dormitories, and in most cases, have an Austrian roommate.
- 7) Unlike most other programs abroad, the BGSU program has American graduate assistants who serve as tutors and resident advisors for the undergraduates.

ADMISSION REQUIREMENTS

The BGSU Salzburg Program is open to undergraduates from all accredited colleges and universities who (1) are in good academic standing at their home institution, (2) will have at least sophomore standing, and (3) will have completed at least two years of college German, or the equivalent, by the time the program begins.

Participants will be expected to use German throughout their study abroad. All students must abide by regulations governing the program, and the sponsoring institutions reserve the right to require the withdrawal of any student whose personal or academic conduct, including excessive absences, warrants such action.

BGSU undergraduates planning to participate in the program should enroll in German 300 (Introduction to Study Abroad) for one credit hour in Spring Quarter, 1982.

PROGRAM OF STUDIES - UNDERGRADUATE

The list of course offerings on the next page represents the courses normally offered by the BGSU Salzburg staff. Most of these courses are taught specifically for undergraduates in the BGSU program by instructors who are sensitive to the initial difficulties students may encounter while studying in a foreign language. While the list is subject to minor changes, students are assured that they will be able to earn at least 30 semester hours (45 quarter hours) for the academic year. The academic load for a regular undergraduate student will normally be a minimum of 15 hours per semester. Students should meet with their academic advisors as soon as possible to plan their programs carefully so that their degree requirements can be met and duplication of course work avoided.

Other alternatives exist for obtaining academic credit in the Salzburg program. Students may engage in study projects, for example, in sociology or cultural anthropology, under a professor from their home institution, provided such projects are submitted for approval well in advance, and arrangements can be made to give Bowling Green credit for them.

Students who pass the language proficiency exam of the University of Salzburg also qualify to take courses regularly offered by the University of Salzburg. Students with two years of college German or the equivalent are generally able to pass this exam by the end of the first semester.

The university sports facilities and intra-mural sports programs are available to students in the BGSU Salzburg program, as are all other university facilities and activities such as music groups, clubs, etc.

THE GRADUATE YEAR IN SALZBURG

The Bowling Green State University Graduate Year in Salzburg is in its fifth year. It is part of a two-year program leading to the M.A. or M.A.T. degree in German. The option of spending one of these years in Salzburg is intended to improve the language skills of our graduate students, to deepen their knowledge of the cultures of the German-speaking countries, and to give them first-hand experience with the Austrian university system by participating in a full-time study program at the University of Salzburg under the supervision of our program director, while earning BGSU graduate credit. The program also helps prepare the American graduate students for their teaching assistantships on the BGSU campus in the second year of their studies.

SPECIAL FEATURES OF THE GRADUATE YEAR IN SALZBURG

- 1) Availability of graduate assistantships which reduce the cost of the program.
- 2) Full program of academic study at the University of Salzburg with credit granted by Bowling Green State University.

- 6) Opportunity to develop teaching and leadership skills in a small group or tutorial setting.
- 7) Guarantee of an assistantship for the second year of the M.A. or M.A.T. program on the BGSU campus, upon satisfactory completion of the Graduate Year in Salzburg (minimum GPA of 3.0 and recommendation of the program director).
- 8) Open to graduate students in other fields (music, history, etc.) whose proficiency in German is adequate enough to enable them to take regular courses at the University of Salzburg or the Mozarteum.

DUTIES OF GRADUATE ASSISTANTS

Students accepted as graduate assistants in Salzburg are contracted to assist in the operation of the undergraduate program in one or more of the following areas: performing RA duties in the dormitories (for BGSU undergraduates); tutoring small groups of undergraduates in the German language or in one of the other program courses; assisting the director in organizing cultural travel, group outings and special events, or with other program arrangements.

OTHER INFORMATION

Students interested in the Graduate Year in Salzburg may obtain detailed information concerning admission requirements, application procedures, cost of the program, financial assistance, etc., by writing or calling the Department of German and Russian.

SUMMER GRADUATE PROGRAMS

In cooperation with the University of Salzburg and the Internationale Ferienkurse für Deutsche Sprache und Germanistik, BGSU offers three and four week graduate programs during the summer in Salzburg. Details are available from the Department of German and Russian.

INFORMATION FOR UNDERGRADUATES AND GRADUATE STUDENTS

THE MOZARTEUM

In cooperation with the University of Salzburg and the Mozarteum, the BGSU Salzburg Program has several openings available at the Mozarteum for qualified students of music.

Classes are available in composition, music theory, conducting, keyboard instruments, string instruments, wind and percussion instruments, church music, voice and opera. In addition, music students are often able to perform with choral or instrumental groups during the year. The language of instruction is German.

In order to qualify for instruction at the Mozarteum, students must submit a certified tape of one of their performances. A preliminary evaluation of these tapes will be made by faculty from BGSU's College of Musical Arts. A panel of judges at the Mozarteum will then make the final decision on admission, either on the basis of the tape or, in doubtful cases, on the basis of the personal audition which is required of all applicants to the Mozarteum (usually scheduled for the first week of October).

Interested students should contact the BGSU Salzburg Program as early as possible concerning the procedures to be followed.

INFORMATION FOR UNDERGRADUATES AND GRADUATE STUDENTS

LODGING AND MEALS

Students are normally housed in Austrian student dormitories, which remain open during the holiday periods and during the semester break. To assure maximum use of the German language, an attempt is made to provide each student with a German-speaking roommate. Students are given a food allowance, paid out weekly, to cover the cost of their meals. Students may thus eat where they choose. There are cooking facilities in the dormitories, and good food at reasonable prices may be obtained at the university cafeterias as well as local restaurants. Reaction to this independent meal plan has been overwhelmingly favorable, and it is much preferred over the typical U.S. dormitory food arrangements.

TRAVEL WHILE ABROAD

Several educational-cultural group excursions are paid for by the program. These trips may include such cities as Munich, Vienna, Berlin, Prague or Budapest, and some of the interesting sites near Salzburg. Students are free to travel individually during the holiday and recess periods. They may also remain in Europe after the end of the academic year, if they care to do so. Students travelling in Europe enjoy many financial advantages: reduced railway fares (Eurail or Interrail passes), inexpensive lodging at youth hostels, reduced admission fees to museums, tourist sights, theaters, etc.

TRANSATLANTIC TRANSPORTATION

Students are free to arrange for their own transportation to and from Europe. The BGSU Salzburg Program normally arranges a group flight which leaves in late September (usually from New York, with connecting flights from Detroit, Cleveland and other cities). The program director will keep those students who have been accepted informed about the group flight plans and other possibilities for reduced air fares as this information becomes available.

INSURANCE

Since many students have medical protection through family insurance plans, the purchase of additional coverage may not be required. However, the university does require that every student be insured through a trip accident and sickness policy and a trip personal effects policy, if such coverage is not included in another policy. All students must assume complete responsibility for providing themselves with adequate insurance protection. Regular medical coverage can be arranged by the student in Salzburg, through the Austrian insurance system, if desired.

UNDERGRADUATE PROGRAM COSTS

The overall fee for 1982-83 is expected to be \$4275 for residents of Ohio, and \$5153* for non-residents. (These costs are subject to change.) The cost for one semester is one-half of the overall fee for residents, and \$3015 for non-residents. (Admission for one semester is granted only under special circumstances.)

(UNDERGRADUATES)

BGSU students who hold university or state scholarships retain these awards while in the Salzburg Program. Students who have other scholarships or loans should check with the sponsoring agency to see if they can be applied to the program costs. There is a possibility that a small number of modest scholarships will be offered to BGSU students in 1982-83. If these become available, applications will be accepted in late February. Out-of-state students accepted into the program will ordinarily receive a one-half fee waiver (= \$877.50). Non-resident fees for the full year would normally be \$1755.

SCHEDULE OF PAYMENTS - UNDERGRADUATE

The application for admission to the BGSU Salzburg Program must be accompanied by an application fee in the amount of \$25.00. UNIVERSITY LIABILITY

Bowling Green State University reserves the right to make changes in dates, program costs, or courses, if it becomes necessary to do so. In the event the program is cancelled, a full refund of monies will be made. Any student who withdraws from the program after having been accepted forfeits the application fee. A schedule of refunds, in the event of subsequent withdrawal from the program, will be provided upon request.

APPLICATION PROCEDURES

(UNDERGRADUATE)

Applications will be accepted starting immediately. Although there is no official deadline for applications, students are urged to apply as early as possible. The size of the group is limited, and selection is based on the credentials submitted.

Students from institutions other than Bowling Green must submit a transcript of their college work. Please arrange for the prompt transmittal of these transcripts to the address listed on the following page.

All applicants are requested to arrange for three letters of recommendation to be sent to the Department of German and Russian. One letter should be from a recommender who is familiar with their proficiency in German, one from a person who is familiar with their general academic background, and one from someone who knows them personally. All recommenders are requested to give their opinion on the applicant's suitability and readiness for the year of study in Salzburg. The letters may be brief and informal.

Applicants will be notified within three weeks after receipt of all materials whether their application has been approved, rejected, or delayed. Approval for courses at the Mozarteum will take longer (see the section on "The Mozarteum").
