INTRODUCTION

The Bowling Green State University Academic Year in Salzburg, Austria, is designed to help American students perfect language skills in German and gain first-hand knowledge of the culture of German-speaking countries while earning academic credit in a variety of subject areas. Classes are taught in German by Austrian professors and the American Director. Students are housed in dormitories with Austrian students.

The Bowling Green Salzburg Program is officially recognized by the University of Salzburg. The program will be in its sixteenth year of operation during the 1983-84 academic year. A special feature of the program is its liaison with the Mozarteum, one of Europe's best known schools of music. Qualified students of music enrolled in the Bowling Green program may receive instruction at the Mozarteum. Under BGSU's two-year M.A. and M.A.T. programs, graduate students in German and related areas may do up to two semesters of their course work at the University of Salzburg.

The University of Salzburg, originally founded in 1622 and reopened in 1962, offers courses in the humanities, sciences, law, and theology. The city of Salzburg, with a population of 140,000, is famous both for its beauty and cultural life and its scenic alpine surroundings. For years, Salzburg's music and drama festivals (Salzburger Festspiele, Mozartwoche) have attracted visitors from all over the world, and the nearby mountains offer excellent facilities for hiking and skiing. Salzburg is located in the north central section of Austria, in the heart of central Europe, and is within easy access of Munich, Vienna, Prague, Venice, Innsbruck, and many other European cities.

UNDERGRADUATE PROGRAM

SPECIAL PROGRAM FEATURES

- 1) Students need not be German majors or minors to participate.
- 2) The program offers a balanced curriculum of especially designed courses in German language, literature and culture, as well as offerings in history, music, art, education, political science, geography and business German. The program guarantees a full year's academic credit.
- 3) Linguistically qualified students may also enroll in regular University of Salzburg courses in lieu of some of the program offerings.
- 4) The program is supervised by an American professor familiar with American and European university life.
- 5) Group travel to places of cultural interest and group outings are regular features of the program; the generous vacations at Christmas, Easter and between semesters allow ample time for independent travel.
- 6) Housing arrangements encourage contact with Austrian students. Students in the BGSU program live in several different dormitories and, in most cases, have an Austrian roommate.
- 7) Unlike most other programs abroad, the BGSU program has American graduate assistants who serve as tutors and resident advisors for the undergraduates.

ADMISSION REQUIREMENTS AND EXPECTATIONS

The BGSU Salzburg Program is open to undergraduates from all accredited colleges and universities who (1) are in good academic standing at their home institution, (2) will have at least sophomore standing, and (3) will have completed at least two years of college German, or the equivalent, by the time the program begins.

Participants will be expected to use German throughout their study abroad. All students must abide by regulations governing the program, and the sponsoring institutions reserve the right to require the withdrawal of any student whose personal or academic conduct, including excessive absences, warrants such action.

BGSU undergraduates planning to participate in the program should enroll in German 300 (Introduction to Study Abroad) for one credit hour in Spring Semester, 1983.

PROGRAM OF STUDIES - UNDERGRADUATE

The list of course offerings on the next page represents the courses normally offered by the BGSU Salzburg staff. Most of these courses are taught specifically for undergraduates in the BGSU program by instructors who are sensitive to the initial difficulties students may encounter while studying in a foreign language. Additional help, especially in language courses, is provided in small group tutorials supervised by graduate assistants in the BGSU program. While the list of courses is subject to minor changes, students are assured that they will be able to earn at least 30 semester hours (45 quarter hours) for the academic year. The academic load for a regular undergraduate student will normally be a minimum of 15 hours per semester. Students should meet with their academic advisors as soon as possible to plan their programs carefully so that their degree requirements can be met and duplication of course work avoided.

Students who pass the language proficiency exam of the University of Salzburg also qualify to take courses regularly offered by the University of Salzburg. Students with two years of college German or the equivalent are generally able to pass this exam by the end of the first semester. With the advice and approval of the Director, students may opt to substitute certain University of Salzburg courses in place of some of the program courses.

Students may also engage in appropriate study projects, under a professor from their home institution, provided such projects are submitted for approval well in advance, and arrangements can be made to give Bowling Green credit for them.

The university sports facilities and intra-mural sports programs are available to students in the BGSU Salzburg program, as are all other university facilities and activities such as music groups, clubs, etc.

THE GRADUATE YEAR IN SALZBURG

The Bowling Green State University Graduate Year in Salzburg is in its sixth year. It is part of a two-year program leading to the M.A. or M.A.T. degree in German. The option of spending one of these years in Salzburg is intended to improve the language skills of our graduate students, to deepen their knowledge of the cultures of the German-speaking countries, and to give them first-hand experience with the Austrian university system by participating in a full-time study program at the University of Salzburg under the supervision of our program director, while earning BGSU graduate credit. The program also helps prepare the American graduate students for their teaching assistantships on the BGSU campus in the second year of their studies.

The Graduate Year in Salzburg is also open to graduate students in other fields (music, history, etc.) whose proficiency in German is adequate enough to enable them to take regular courses at the University of Salzburg or the Mozarteum.

SPECIAL FEATURES OF THE GRADUATE YEAR IN SALZBURG

- 1) Availability of graduate assistantships which reduce the cost of the program.
- 2) Full program of academic study at the University of Salzburg with credit granted by Bowling Green State University.
- 3) Introductory courses on graduate study in German and on contemporary Austrian life designed especially for BGSU students and taught by University of Salzburg faculty.
- 4) Supervision and advising by the American program director, who is a member of the BGSU graduate faculty.
- 5) Housing in dormitories at the University of Salzburg; integration into Austrian student life; group travel included in period.
- 6) Opportunity to develop teaching and leadership skills in a small group or tutorial setting.
- 7) First priority for an assistantship in the second year of the M.A. or M.A.T. program on the BGSU campus, upon satisfactory completion of the Graduate Year in Salzburg (minimum GPA of 3.0 and recommendation of the program director).

DUTIES OF GRADUATE ASSISTANTS

Students accepted as graduate assistants in Salzburg are contracted to assist in the operation of the undergraduate program in one or more of the following areas: performing RA duties in the dormitories (for BGSU undergraduates); tutoring small groups of undergraduates in the German language or other program courses; assisting the director in organizing cultural travel, group outings and special events.

OTHER INFORMATION

Students interested in the Graduate Year in Salzburg may obtain detailed information concerning admission requirements, application procedures, cost of the program, financial assistance, etc., by writing or calling the Department of German and Russian.

SUMMER GRADUATE PROGRAMS

In cooperation with the University of Salzburg and the Internationale Ferienkurse für Deutsche Sprache und Germanistik, BGSU offers three and four week graduate programs during the summer in Salzburg. Details are available from the Department of German and Russian.

INFORMATION FOR UNDERGRADUATES AND GRADUATE STUDENTS

THE MOZARTEUM

In cooperation with the University of Salzburg and the Mozarteum, the BGSU Salzburg Program makes limited study available at the Mozarteum for qualified students of music. Such study supplements the regular undergraduate program of courses listed on page 4 and normally amounts to one or two courses per semester including instrument or voice.

In order to apply for admission at the Mozarteum, students must submit a certified tape of one of their performances for preliminary evaluation by faculty of BGSU's College of Musical Arts. If favorably evaluated by BGSU faculty, the tape is sent on to Salzburg for evaluation by the faculty of the specific department of the Mozarteum. Final decision on admission is made on the basis of a personal audition and written test (Aufnahmeprüfung) held in Salzburg, usually the first week of October.

The Mozarteum offers classes in composition, music theory, conducting, keyboard instruments, string instruments, wind and percussion instruments, church music, voice and opera. Interested students should contact the BGSU Salzburg Program Coordinator for further information on courses offered and should specify their instrument or area of study.

Any participant in the Salzburg program can usually arrange to take lessons during the year abroad and will also find ample opportunity to participate in informal singing groups and ensembles.

INFORMATION FOR UNDERGRADUATES AND GRADUATE STUDENTS

LODGING AND MEALS

Students are normally housed in Austrian student dormitories, which remain open during the holiday periods and during the semester break. To assure maximum use of the German language, an attempt is made to provide each student with a German-speaking roommate. Students are given a food allowance, paid out weekly, to cover the cost of their meals. Students may thus eat where they choose. There are cooking facilities in the dormitories, and good food at reasonable prices may be obtained at the university cafeterias as well as local restaurants. Reaction to this independent meal plan has been overwhelmingly favorable, and it is much preferred over the typical U.S. dormitory food arrangements.

TRAVEL WHILE ABROAD

Several educational-cultural group excursions are paid for by the program. These trips include some of the interesting sites near Salzburg and cities such as Munich, Vienna, Berlin, Prague or Budapest. Students are free to travel individually during the holiday and recess periods. They may also remain in Europe after the end of the academic year, if they care to do so. Students travelling in Europe enjoy many financial advantages: reduced railway fares (Eurail or Interrail passes), inexpensive lodging at youth hostels, reduced admission fees to museums, tourist sights, theaters, etc.

TRANSATLANTIC TRANSPORTATION

Students are free to arrange for their own transportation to and from Europe. The BGSU Salzburg Program normally arranges a group flight which leaves in late September (usually from New York, with connecting flights from Detroit, Cleveland and other cities). The program director will keep students who have been accepted into the program informed about the group flight plans and other possibilities for reduced air fares as this information becomes available.

INSURANCE

Since many students have medical protection through family insurance plans, the purchase of additional coverage may not be required. It is essential, however, that students have complete health insurance during the year in Salzburg. (Regular medical coverage can be arranged by the student in Salzburg through the Austrian insurance system; if desired, more information is available from the Department.) The university also requires that every student be insured through a trip accident and sickness policy and a trip personal effects policy, if such coverage is not included in another policy. All students must assume complete responsibility for providing themselves with adequate insurance protection.

UNDERGRADUATE PROGRAM COSTS

The overall fee for 1983-84 is expected to be \$4370 for residents of Ohio, and \$5314* for non-residents. (These costs are subject to change.)

Included in the overall fee for 1983-84 are the following: instructional and general fees, room (dormitory space) and costs of meals for 273 days (from October 1, 1983, to June 30, 1984, including vacation periods); cultural events; educational group travel on selected days and weekends during the academic year; use of student facilities at the University of Salzburg and the assigned dormitories; costs for courses taken at the University of Salzburg; and some concert and/or theater tickets.

Not included are: U.S. and transatlantic transportation; costs of lodging and food prior to October 1, 1983, and after June 30, 1984; fees for obtaining a U.S. passport; school supplies and books; vacation travel during regular vacation periods and before and after the academic year; and other incidental and personal expenses.

*Represents waiver of one-half of out-of-state fees.

FINANCIAL ASSISTANCE (UNDERGRADUATES)

BGSU students who hold university or state scholarships retain these awards while in the Salzburg Program. Students who have other scholarships or loans should check with the sponsoring agency to see if they can be applied to the program costs. Non-BGSU students should consult their on-campus financial aid office about possibilities of financial support. Out-of-state students accepted into the program will ordinarily receive a one-half fee waiver (= \$945.00). Non-resident fees for the full year would normally be \$1890.

SCHEDULE OF PAYMENTS - UNDERGRADUATE

The application for admission to the BGSU Salzburg Program must be accompanied by an application fee in the amount of \$25.00. This fee will be applied toward the total cost of the program, and will be refunded if the applicant is not admitted to the program. When sent by check or money order, this payment and all payments listed below should be made out to Bowling Green State University.

UNIVERSITY LIABILITY

Bowling Green State University reserves the right to make changes in dates, program costs, or courses, if it becomes necessary to do so. In the event the program is cancelled, a full refund of monies will be made. Any student who withdraws from the program after having been accepted forfeits the application fee. A schedule of refunds, in the event of subsequent withdrawal from the program, will be provided upon request.

APPLICATION PROCEDURES
(UNDERGRADUATE)

Applications will be accepted starting immediately. Although there is no official deadline for applications, students are urged to apply as early as possible. The size of the group is limited, and properly qualified students are selected on a first-come, first-served basis.

Students from institutions other than Bowling Green must submit a transcript of their college work. Please arrange for the prompt transmittal of these transcripts to the address listed on the following page.

All applicants are requested to arrange for three confidential letters of recommendation to be sent to the Department of German and Russian. One letter should be from a recommender who is familiar with their proficiency in German, one from a person who is familiar with their general academic background, and one from someone who knows them personally. All recommenders are requested to give their opinion on the applicant's suitability and readiness for the year of study in Salzburg. The letters may be brief and informal.

Applicants will be notified within three weeks after receipt of all materials whether their application has been approved, rejected, or delayed. Approval of study at the Mozarteum will take longer (see the section on "The Mozarteum").
