Assistant Teaching Professor
Full-Time Renewable

Assistant Teaching Professor, Department of Mathematics and Statistics at Bowling Green State University. Full-time, academic year, renewable appointments. Competitive salary with full benefits. Duties include: Teach the Quantitative Reasoning course and other mathematics and statistics courses, depending on qualifications and department need; provide service to the department, college, and/or university. Minimum qualifications: The successful candidate must have fulfilled all the program requirements of a masters’ or doctoral degree in mathematics, statistics, or in a closely related field (e.g., mathematics education), before December 15th, 2020; have teaching experience in a Math Emporium as instructor of record; experience teaching elementary statistics, college algebra, and quantitative reasoning as an instructor of record. Preferred qualification: experience teaching online courses. Starting date: January 11, 2021.

Application materials must include:
(1) a letter of application
(2) current curriculum vitae that includes courses taught and when
(3) statement describing both teaching and professional development
(4) a statement of commitment to diversity in higher education
(5) names and addresses of three individuals who will provide current letters of reference (dated within the past year) by the application deadline
(6) copy of transcript showing the highest degree earned

Finalist will be required to submit official transcripts and to authorize and pass a background check prior to an offer of employment being made.
