

# Assistant Teaching Professor

- Assistant Teaching Professor, Department of Mathematics and Statistics at Bowling Green State University. Full-time, academic year, one-year nonrenewable contract. Competitive salary with full benefits. Duties include: Teach Quantitative Reasoning (QR), our quantitative literacy course, and possibly other mathematics and statistics courses, depending on qualifications and department need; provide service to the department, college, and university. Minimum qualifications: Master's degree in mathematics, statistics, or in a closely related field (e.g., mathematics education) conferred at the time of application; experience teaching quantitative literacy as a TA or instructor of record. Preferred qualification: Experience teaching in a Mathematics Emporium; experience teaching online courses. Starting date: August 23, 2021.

Application materials must include:

- (1) a letter of application
- (2) current curriculum vitae that includes courses taught and when
- (3) statement describing both teaching and professional development
- (4) a statement of commitment to diversity in higher education that addresses how you have incorporated equity, diversity, and/or inclusion into your current or a previous position
- (5) names and addresses of three individuals who will provide current letters of reference (dated within the past year)
- (6) copy of transcript showing the highest degree earned.

Finalist will be required to submit official transcripts and to authorize and pass a background check prior to an offer of employment being made.

Application deadline: August 4, 2021.
