

Assistant Professor in Statistics

The Department of Mathematics and Statistics at Bowling Green State University invites applications for a tenure-track position at the rank of Assistant Professor in Statistics with a start date of August 2021. This position contributes to the interdisciplinary Data Science doctoral program. Competitive salary with full benefits. Minimum qualifications: must have satisfied all the program requirements of a doctoral degree in statistics, data science, or in a closely related field (e.g., mathematics or computer science) by the start of employment (August 2021); teaching experience as a TA or instructor; demonstrated scholarly work in statistics, data science, or in a closely related area (e.g., Bayesian inferences, actuarial science, data mining, machine learning, high-dimensional data analysis, and high performance computing (HPC) with large data sets in modern statistics) through publications, doctoral dissertation (or technical report on the results from the development of doctoral dissertation), or research presentations at national or international conferences. Preferred qualifications: demonstrated research productivity through one or more published or in press peer-reviewed journal articles or book chapters in top tier outlets in statistics or data science; experience seeking external research support; experience teaching statistics or data science courses.

For a complete job description & instructions on how to apply for this position, visit the website: <https://bgsu.hiretouch.com/>. If you have a disability and would like to request an accommodation to apply for this position, please call 419-372-8421. All applications are accepted and processed through the HireTouch website. For an application to be considered as complete, submit (1) a letter of application (cover letter) (2) statements of both teaching and research interests that include experience to date and describe goals for the future, (3) current curriculum vitae, (4) a statement of commitment to diversity, (5) names and contact information of three individuals who will be asked to provide current (dated within the past year) letters of reference, and (6) transcripts indicating the highest degree earned or up-to-date transcripts from the current university. The finalist will be required to submit official transcripts and to authorize and pass a background check prior to an offer of employment being made.

Application deadline: April 30th, 2021.

BGSU is an AA/EE0/Vet employer dedicated to the goal of building a culturally diverse and pluralistic faculty and staff committed to teaching and working in a diverse environment. We encourage applications from women, minorities, veterans, and persons with disabilities regardless of age, gender identity, genetic information, religion, or sexual orientation.
