

Office address

259 Psychology Building
822 E Merry Ave
Bowling Green State University
Bowling Green OH 43403

Contact information

mdocher@bgsu.edu
(419) 372-4939

Appointments

2019-current Assistant Professor, Department of Psychology, Bowling Green State University
2020-current Research Affiliate, Center for Family & Demographic Research, Bowling Green State University
2023-current Assistant Research Scientist, Research Center for Group Dynamics, Institute for Social Research,
University of Michigan
2019-2023 Adjunct Faculty Associate, RCGD, ISR, University of Michigan

Education

2017-2019 Postdoctoral fellow, School of Criminology and Criminal Justice (Advisor: Dustin Pardini),
Arizona State University
2012-2017 Ph.D. in Developmental Psychology (Advisor: Paul Boxer), Rutgers University
2007-2011 B. A. in Psychology, *cum laude*, The College of New Jersey

Awards and Honors

2024 BGSU Outstanding Early Career Award
2024 Undergraduate Psychology Association at BGSU Teaching Award
2024 Nominee for Division 5 poster award at APA 2024 convention

Funding Received

2020-2022 “*Exposure to violence and subsequent weapons use: Integrative data analysis across two urban high-risk communities.*” L. R. Huesmann, E. F. Dubow, & P. Boxer, Principal Investigators; **M. Docherty**, Co-Investigator. Funded as R01CE003302 by the Centers for Disease Control and Prevention. Total project cost = **\$626,200**.

Funding Proposals Submitted, Not Funded

2024 “*A longitudinal follow-up study of psychosocial development among Palestinian and Israeli youth: Immediate and sustained impacts of the recent extreme violence and psychological mechanisms of effect.*” E. Dubow, L. R. Huesmann, and P. Boxer, Principal Investigators; **M. Docherty**, Co-Investigator. Submitted to National Institute of Child Health and Human Development (NICHD). Total project cost = **\$1,861,109**.

2023 “*Establishing the feasibility and validity of a daily survey of gun-related attitudes, behaviors, and experiences.*” **M. Docherty**, Principal Investigator; E. M. Cooke & E. F. Dubow, Co-Investigators. Submitted to National Institute of Child Health and Human Development (NICHD). Total project cost = **\$388,632**.

2023 “*A lifespan study examining the socialization processes underlying 70+ White American adults’ attitudes and behaviors toward changing sociodemographics and racial-ethnic minority groups.*” E. Dubow and P. Boxer, Principal Investigators; L. R. Huesmann, **M. Docherty**, and M. Saleem, Co-Investigators. Submitted to National Institute of Aging (NIA). Total project cost = **\$3,080,403**.

2023 “*Examining daily gun-related experiences among adolescents and young adults in an urban area.*” **M. Docherty**, Principal Investigator; E. M. Cooke, Co-Investigator. Submitted to Fund for a Safer Future, part of the Joyce Foundation. Total project cost = **\$248,574**.

- 2023 "Examining daily gun-related experiences among urban adolescents and young adults." **M. Docherty**, Principal Investigator; E. Dubow, Co-Investigator. Submitted to the Centers for Disease Control and Prevention. Total project cost = **\$887,094**.
- 2023 "Childhood and adolescent personal and contextual factors predicting beliefs and practices for safe firearm storage and use among young adults in a high crime, urban community." E. Dubow and P. Boxer, Principal Investigators; **M. Docherty** and L. R. Huesmann, Co-Investigators. Submitted to the Centers for Disease Control and Prevention. Total project cost = **\$1,738,158**.
- 2022 "Examining daily gun-related experiences among adolescent and young adult males." **M. Docherty**, Principal Investigator; E. Dubow, Co-Investigator. Submitted to the National Institute of Justice (NIJ). Total project cost = **\$556,509**.
- 2022 "Intergenerational consequences of exposure to community violence." E. Dubow and P. Boxer, Principal Investigators; **M. Docherty** and L. R. Huesmann, Co-Investigators. Submitted to the National Institute of Justice (NIJ). Total project cost = **\$181,058**.
- 2022 "Examining daily gun-related experiences among adolescents and young adults." **M. Docherty**, Principal Investigator. Submitted to the University of Michigan Institute for Firearm Injury Prevention Funding Opportunity to Support Firearm-Related Projects. Total project cost = **\$42,745**.

Awards and Funding Received by Mentored Students

<u>Year</u>	<u>Student</u>	<u>Award</u>
2024	Kaylie Williams (graduate)	Society for the Psychological Study of Social Issues (SPSSI) Grants-In-Aid Program to fund graduate student research (\$1,000)
2024	Jessica Gower (undergraduate)	Winning poster presentation at BGSU's Annual Symposium on Diversity
2024	Romain Decrop (graduate)	Shanklin Award finalist through BGSU Graduate Student Senate
2023	Kelly Donovan (graduate)	Drs. Larry and Lorraine Nulton Clinical Psychology Research Fund Award, presented by the BGSU Department of Psychology (\$437)
2023	Kaylee Ries (undergraduate)	Winning poster presentation at BGSU's Annual Symposium on Diversity

Teaching Experience

<u>Course</u>	<u>Level</u>
PSYC 7800 Longitudinal modeling	Graduate
PSYC 7370 Lifespan development	Graduate
PSYC 3100 Lifespan developmental psychology	Undergraduate
PSYC 3040 Psychology of adolescent development	Undergraduate

Consulting and Workshops Provided

<u>Year</u>	<u>Client</u>	<u>Nature of consulting/workshop</u>
2023	Yeshiva University Wurzweiler School of Social Work	Provided continuing education: "Addressing gun violence in the U.S.: Understanding the individual and environmental factors related to perpetration and victimization."
2023	Dr. Vanessa LoBue Rutgers University-Newark Department of Psychology	Created workshops on structural equation modeling and multiple imputation for missing data
2021	Montclair State University Department of Family Science and Human Development	Provided a two-day statistics workshop for PhD students in FSHD, covering basic quantitative analyses and R and RStudio
2017-2024	Dr. Dustin Pardini Arizona Youth Survey (AYS)	Assisted with Stata do files to create AYS reports in 2018, 2020, 2022, and 2024

Training and Workshops Attended

- 2023 Stats Camp CFA seminar, provided by Todd Little and Zachary Stickley
- 2023 Faculty Success Program, offered by the National Center for Faculty Development and Diversity
- 2022 Effective Teaching Practices, offered by the Association of College and University Educators (ACUE)
- 2021 BGSU Building Strength summer grants academy
- 2021 BGSU ALLIES Faculty Allies Training, funded by NSF ADVANCE Program
- 2020 Advanced Training Institute (ATI) on Analysis of Intensive Longitudinal Data, 5-day remote workshop, American Psychological Association and Longitudinal Research Institute
- 2020 Advanced Training Institute (ATI) on Structural Equation Modeling in Longitudinal Research, 5-day remote workshop, American Psychological Association and Longitudinal Research Institute
- 2020 Introduction to Structural Equation Modeling, 3-day remote workshop led by Drs. Daniel Bauer and Patrick Curran, Curran-Bauer Analytics
- 2018 PSY 543 Statistical Mediation Analysis with Dr. David MacKinnon
- 2017 Certificate in Effective Teaching Practices, American Council on Education
- 2016 Write Winning Grant Proposals, seminar hosted by Rutgers University led by Dr. M. S. AtKisson
- 2016 Causal Inference Workshop at Northwestern Law School, training led by Drs. Donald Rubin, Alberto Abadie, Joshua Angrist, and Jens Hainmueller
- 2015 Methods for the analysis of non-experimental data, training led by Drs. Catrien Bijleveld and Steve van de Weijer at the American Society of Criminology
- 2015 Geographic Information Systems (GIS) training, Rutgers University Center on Public Security, led by Dr. Eric Piza
