Bowling Green State University  
Department of Engineering Technologies  
College of Technology, Architecture & Applied Engineering  
Part-Time Instructors

The Department of Engineering Technologies at Bowling Green State University invites applications for part-time instructors to teach undergraduate and graduate courses in Electronics & Computer Engineering Technology (ECET) and Engineering Technology (ENGT) [like mechanical engineering technology]. We are seeking multiple candidates for multiple courses. Qualified applicants and current adjuncts will be forwarded to the next year's pool automatically without reapplying, unless they indicate they do not wish to do so.

· **Electronics & Computer Engineering Technology** – Part-time instructor to teach ECET 2410. Analog and digital electronic Circuits and semiconductors. Design and application of power supplies, amplifiers, oscillators and digital gates to communication, instrumentation and process control. Two hours of lecture and two hours of laboratory. Class is being offered on Main Campus, on two evenings. A minimum of a master's degree in electrical engineering, computer engineering, engineering technology or closely related field is required for undergraduate instruction.

· **Engineering Technology** - Part-time instructors to teach one or more courses, either at the undergraduate level or at the graduate level. Undergraduate level courses include AutoCAD, Computer Aided Manufacturing, and Statics. Graduate level courses include sustainability and Computer Automated Manufacturing. For teaching undergraduate level courses, a master's degree is preferred, but a bachelor's degree in engineering, engineering technology or highly related field may be considered with at least 3 years of industrial experience within the field, to be judged by the department with approval of the Dean required. A Ph.D. in engineering, engineering technology or closely related field may be required for graduate level instruction, along with graduate faculty status approval.

electronically submit a letter of eligibility and interest, resume to Linda Leimgruber at lleimgr@bgsu.edu. For questions call (419) 372-2439. Final candidates will be required to submit two original letters of recommendation and official transcripts. BGSU is an AA/EEO/Vet employer. We encourage applications from women, minorities, veterans, and persons with disabilities regardless of age, gender identity, genetic information, religion, or sexual orientation. BGSU policy requires finalists to authorize and pass a background investigation prior to receiving an offer of employment. Applications will be accepted through July 15, 2018.
