Program Notes
Today's Commencement ceremony marks the 285th graduation at Bowling Green State University. The total number of diplomas being awarded is 2,287, including 424 degrees granted by the Graduate College. Undergraduate degrees are awarded with Latin honors to signify meritorious academic achievement; 611 students are receiving honors today. Students with honors wear a gold cord designating their status. To graduate cum laude, a student must have a cumulative grade point average of at least 3.50 and 110 letter-graded hours or more. Magna cum laude requires a 3.75 grade point average and 110 letter-graded hours, while summa cum laude demands a 3.9 grade point average and 110 letter-graded hours. Students with transfer credit have additional requirements in order to be eligible for Latin honors.

This program contains the names of all candidates for this Commencement. Certification of the indicated degree is subject to the completion of requirements.

School Colors
The history behind how BGSU began using brown and orange as its school colors dates back to 1914. Dr. Homer B. Williams, the University's first president, gathered a group of people, including Dr. Leon L. Winslow, from the industrial arts department, as a selection committee for the school's new colors. While on a trolley ride to Toledo, Dr. Winslow sat behind a woman wearing a large hat adorned with brown and orange feathers. He was so impressed by the color scheme that his committee recommended to the Board of Trustees they approve the combination of burnt orange and seal brown.

University Mace
The mace, used as a weapon in medieval times, is employed today on many university campuses as a symbol of office. The mace of the president of Bowling Green State University bears symbols and figures representing three related categories of human culture: areas of learning, the vicissitudes of culture, and the waxing and waning of human life.

Designed and created by Harold Hasselschwert, an assistant professor of art, the mace weighs six and one-half pounds and is 27 inches long. The mace is engraved and enameled silver, creating a moire effect as a backdrop for figures representing the six branches of learning: drama, art, literature, music, science and commerce.

Approximately 500 square inches of silver were used in the mace which is adorned with ancient and medieval symbols. At the base are engravings representing the areas of learning: jester's staff, quill and scroll, lyre, palette and brushes, the atom and the balance.

The Pendant
A silver pendant containing the inaugural scroll, lyre, palette and brushes, the atom and the balance.

A native of Chicago, Rahe earned a Bachelor of Arts degree with a major in Spanish and a minor in business from Bowling Green State University.

Under Rahe's leadership, Fort Washington is one of the largest investment advisors in Ohio. The firm provides professional and comprehensive asset management services for institutions, corporations, insurance companies, mutual funds, foundations, associations and high-net-worth individuals.

Prior to joining Fort Washington, Rahe was president and a board member of the United States Trust Company of New York. She also has served as vice chair of the board of The Harris Bank in Chicago and has held various positions at JPMorgan in London and New York. She earned a Master of Business Administration in International Management with honors from Thunderbird School of Global Management. She was also a Ph.D. candidate at The Ohio State University.

Rahe serves on several regional and national boards of directors, including The Greater Cincinnati Foundation; Cincinnati Arts Association; Cintrifuse; Consolidated Communications Holdings, Inc.; United Way; Sisters of Notre Dame de Namur Development Advisory Board; Xavier University Williams College of Business Board of Executive Advisors; First Financial Bancorp and First Financial Bank, N.A.; and Cincinnati Women’s Executive Forum. She is a life trustee to Rush-Presbyterian-St. Luke’s Medical Center and New York Landmarks Conservancy.

A well-known and acknowledged expert in financial services, Rahe was featured in Vanity Fair as one of “America’s Most Influential Women – 200 Legends, Leaders and Trailblazers.”

Jason “Jay” Crawford '87

Jay Crawford earned a Bachelor of Arts in radio, television and film from Bowling Green State University in 1987.

Crawford joined ESPN in 2003 as the co-host of the network’s first live morning show, “Cold Pizza,” produced daily in midtown Manhattan. In May 2007, the show relocated to the network’s high-definition Connecticut studios and was re-launched as “ESPN First Take.” After hosting “First Take” for six more years, Jay was promoted to his current role of co-host for ESPN’s flagship show, “SportsCenter,” handling the midday duties.

Before joining ESPN, Crawford served as the sports director for WFTS-TV in Tampa, Florida, March 1998 to August 2003, notably covering the Tampa Bay Buccaneers Super Bowl Championship in 2003. He was also the sports director for WBNS-TV in Columbus and served as a weekend sports anchor for WTIC-TV in Hartford, Connecticut. He began his sports television career in 1987 at WYMT-TV in Hazard, Kentucky.

His professional achievements include winning four regional Emmy Awards, the Best Sportscaster Kentucky AP Award and three SPJ Best Sports Program Awards. Crawford has been a Children’s Miracle Network host and has contributed time to Special Olympics.

HOLLY HORN ’83

Horn is a 1983 graduate of Bowling Green State University with a Bachelor of Science in education. Her 33-year career has spanned over various businesses and organizations, including politics, education, health care, consulting and finance.

Upon graduation from BGSU, Horn worked for Congresswoman Marcy Kaptur, before returning to teaching. In 1988, she completed a Master of Health Administration degree from George Washington University School of Business in Washington, D.C., and pursued a career in health care. She served as the director of strategic planning and business development for the Inova Healthcare system, a five-hospital system in Fairfax, Virginia, where she focused on growing the system’s hospital and ambulatory care practices. She then joined the national health care strategy and business development consulting practice of Ernst and Young, where she assisted hospital systems across the country in expanding their services and improving operations for patients.

Today, Horn works in the municipal finance industry in New York City for Assured Guaranty, a bond insurance company that assists issuers such as states, cities, airports and hospitals lower their cost of financing while ensuring that bondholders get paid if such entities are unable to pay the debt on their bonds. In her current role of chief surveillance officer of public finance she is responsible for monitoring a $360 billion insured portfolio and has represented the firm in several high-profile distressed credit negotiations such as City of Detroit and Puerto Rico.

Horn resides in New York City and Washington, D.C.

D. CRAIG RATHBUN ’83

D. Craig Rathbun began his educational journey at Bowling Green State University, earning a bachelor’s degree in business administration in 1983. After graduating, he was employed by Ernst & Whinney’s (Ernst & Young) Management Consulting Group, specializing in production and operations. He later joined his family’s business, Venture Packaging, as operations manager.

The lessons learned at a closely held corporation served as a sound basis for two other future companies. In 1999, as a partner in Encore Plastics, Rathbun, along with his siblings and a friend, grew a start-up company from seven employees to more than 300 within three manufacturing facilities. Encore manufactures paint sundry products for national retailers such as Lowe’s, Menards, Sherwin-Williams and Walmart.

In 2009, the partners financed a renewable energy company called SUREnergy. The goal was to find alternative ways to reduce Encore Plastics’ carbon footprint. Today, SUREnergy has evolved into providing grant writing, sourcing, installation, maintenance and consulting services to several national and international companies.

Rathbun is currently a member of the Firelands College Alumni Board and, in 2016, received a College Alumni Award from BGSU.

Rathbun is part of a family with proud Falcon ties. His father, Willard, and two siblings, Tim ’84, ’86 and Jodi, all attended BGSU. His wife, Jennifer ’85, and two of his children also attended BGSU.
