In 1,000 words or less, describe why this person deserves recognition for the "Spirit of BG" Award:

Maria is one of the first employees that I ever met at BGSU Firelands, and to this day she is always one of the first to help out for any inquiry that I have- big or small! Students and staff can call or stop in to her office because she is so competent and professional. She is a hard worker and always has a smile or a kind word for everyone. She works in a complex office where she is responsible for various and sundry complicated tasks where things are constantly changing, and she never "drops the ball"! She is a role model for all of us in these complicated times! Thank you Maria, for being such a shining light!
