Interest Form

Please answer the following questions on a separate piece of paper. Include your name, phone number, current address, e-mail address and student ID number on your response sheet(s).

♦ Please list those activities in which you were involved during your first year.

♦ List any suggestions you may have as to how more students can become involved in the different aspects of campus life at BGSU.

♦ What are your current impressions of and what suggestions would you specifically offer to make SICsIC the best it can be?

♦ Please indicate ways in which you feel SICsIC may become further involved in campus life.

♦ Please list any conflicts you foresee that would keep from giving 6–8 hours of your time each week (late night hours and appearances at campus events). How would you incorporate membership into your schedule? Keep in mind that membership is to be kept secret and some activities are at odd hours.

♦ If selected, describe the mask you would choose (masks are selected and purchased by individual members). No person may select a mask that has been previously worn by a member--check the SICSIC website for a list of previous masks.

♦ Give an example of two “SICsIC sez” signs you would make to generate school spirit.

♦ What do you see as the purpose of SICsIC? Why do you wish to be a part of SICsIC?

♦ Please list 2 faculty or staff members at BGSU who could be contacted as references (you don't need to let them know you are applying).

♦ Please include a statement in your application indicating that you give the Office of the Dean of Students permission to review your University and Residence Life Conduct records, and permission to review your academic record at BGSU.
