3. Copy of State of Ohio Architectural or Engineering “Certificate of Authorization” with certificate number. Companies doing business prior to 1982 are exempt from this requirement, unless they have already applied for this certificate. Certificates are to be renewed annually on June 30 and copies of the same submitted to BGSU Project Manager. Additional Architect’s information can be obtained at: http://arc.ohio.gov/RegistrationRequirements.aspx. Additional Engineer’s information can be obtained at: http://peps.ohio.gov/

5. Current documents can be found on the Ohio Facilities Construction Commission’s website under Forms/Procurement at http://ofcc.ohio.gov/. BGSU’s EDGE participation goal is 5% of the total compensation (includes basic fees, additional fees and reimbursable expense).
   a. If the 5% EDGE participation goal can be met, the following items are required to be submitted:
      • An EDGE Affidavit form (Form M140-00 45 39) needs to be completed for each EDGE firm.
   b. If none of the 5% EDGE participation goal cannot be met, the following items are required to be submitted:
      • The EDGE Participation/Demonstration of Good Faith (Form F110-13) needs to be completed.
      • A request for a waiver needs to be completed. This needs to be written on company letterhead and must include the following:
        1. Project name, number, contract amount and the EDGE participation dollar amount and percentage of contract sum.
        2. Detailed explanation of the scope of work that was to be performed by EDGE contractor and/or why the lead firm/prime has determined the proposed EDGE participation goal cannot be met.
        3. Once company realized they had an issue with the EDGE component what else was done to meet the requirement.
4. Has company considered scope within other areas of the project/contract to meet the goal.

c. If part of the 5% EDGE participation goal is being met, the following items are required to be submitted:
   - The EDGE Participation/Intent to Perform (Form F110-12) needs to be completed for the portion of EDGE participation being met.
   - A request for a waiver needs to be completed for the portion of the EDGE participation not being met. This needs to be written on company letterhead and must include the following:
     1. Project name, number, contract amount and the EDGE participation dollar amount and percentage of contract sum.
     2. Detailed explanation of the scope of work that was to be performed by EDGE contractor and/or why the lead firm/prime has determined the proposed EDGE participation goal cannot be met.
     3. Once company realized they had an issue with the EDGE component what else was done to meet the requirement.
     4. Has company considered scope within other areas of the project/contract to meet the goal.
