

FACULTY VACANCY ANNOUNCEMENT
College of Education and Human Development

Position Title

Assistant Professor in STEAM Education, Tenure Track
School of Teaching and Learning

Position Summary

Teaching, research, and service in Inclusive PreK-5 and Middle Childhood Education courses at the undergraduate and the graduate levels, with emphasis on integrated STEAM (science, technology, engineering, arts, and mathematics) education, discipline specific content (e.g., science, mathematics), and social justice.

Program Information

Inclusive PreK-5 Education and Middle Childhood Education Programs at Bowling Green State University are housed within the College of Education and Human Development. Our faculty is committed to creating a community of inclusion, collaboration, and respect. This mission is operationalized through iterative practices of inquiry and innovation that enhance the professional preparation of our students, providing them opportunities to engage in leadership and service grounded in experiential learning. The undergraduate Inclusive PreK-5 Education Program leads to Ohio PK-5 dual licensure in special education and primary education, or Ohio PK-5 single licensure in primary education for teaching young children. The undergraduate Middle Childhood Education Program leads to Ohio 4-9 licensure with choice of two of four possible subject areas.

Specific Duties and Responsibilities

1. Teach Inclusive PreK-5 and Middle Childhood STEAM education, mathematics education, and/or science education courses (face-to-face, blended, online) including field experiences in one or more of the following programs: a) Undergraduate Inclusive PreK-5 Education Program; b) Middle Childhood Education Program; and c) Graduate Curriculum & Teaching Program.
2. Establish and maintain a productive research line leading to peer-reviewed publications and presentations and engage in grant writing activities as appropriate.
3. Participate in student advising and in program development.
4. Contribute to the school, college, university, and the profession through select service activities.

Minimum Qualifications

1. Earned doctorate in Early Childhood Education, Elementary Education, Curriculum and Instruction or closely related field with a focus on STEAM education, mathematics education, or science education. Candidates who are ABD at time of application may be considered. Degree must be conferred prior to appointment in August 2023.
2. Demonstrated commitment to scholarly activities, including research investigations, publications, presentations at professional conferences, and/or grant writing.
3. A minimum of two years professional experience working with individuals with elementary and/or middle school students (e.g., classroom teacher, special education teacher, or other related service provider in educational settings).

Preferred Qualifications

1. Experience in teaching at the college level.
2. Demonstrated commitment to diversity, equity, inclusion, and social justice (e.g., through curriculum development, research, service).

Salary

Salary is commensurate with level of experience.

Effective Date of Employment

August 2023
