What should I do after I complete my summer coursework?

Upon satisfactory completion of endorsement coursework (2.8 GPA), students should submit to Janet Hammersmith in the Office of Student & Academic Services:

- An Ohio Department of Education Licensure Application
- Associated fees
- An official transcript of final grades
- An official Praxis II score report confirming passage of the exam

The program coordinator will verify compliance, and the licensure officer will finalize paperwork and submit it to the Ohio Department of Education for review.
