

# CHEMICAL CLEANOUT

## August 12, 2014

- Do you have unused/expired chemicals or cleaning supplies in your laboratory/work area?
- Do you have mercury thermometers or elemental mercury you would like to dispose of?
- Do you have cans of paint you would like to dispose of?

If you answered 'yes' to any of the above, BGSU's Department of Environmental Health & Safety is pleased to announce the third annual Chemical Cleanout.<sup>1</sup> This program is open to all departments of BGSU. Items that can be disposed of include, but are not limited to: unused/expired chemicals and cleaning supplies, paint, mercury containing items, and pesticides/fertilizers. Those who participate in the Chemical Cleanout will be entered into a raffle to win one of three \$25 gift cards to the BGSU Bookstore!!!

To request a pick-up, please fill out the attached sheet to the best of your knowledge and submit (via email or campus mail) to Kyle Schlarman, BGSU Department of Environmental Health and Safety. Deadline to submit a request for pickup is Friday, August 8, 2014.

- Running out of space in your laboratory or office? If so, you can obtain information on different options to have old, unused, or broken equipment disposed of by visiting the BGSU's Business Operations Warehousing website. <http://www.bgsu.edu/finance-and-administration/warehousing.html>
- For removal of computer equipment, please contact Information Technology Services @ 2-0999.

<sup>1</sup>The Chemical Cleanout is open to material that is property of BGSU only.
