If you don’t see the currency you need, please contact the Treasury Office.

**Payee Information:**
- **IBAN**: International Bank Account Number used for identifying bank accounts across national borders, which are typically made up of 16-34 characters. Not all countries use the IBAN. Contact the Treasury Office if you have questions about the applicability of the IBAN for a specific transaction.
- **Name**: The person or entity being paid as a result of the wire transfer. This name should exactly match the name on the bank account. Some foreign banks will reject wires that are sent with a name that doesn’t match the name on the account.
- **Address**: Mailing address for person or party receiving payment

**Bank Information:**
- **SWIFT BIC**: The unique identification code of a bank that is used when transferring money between banks, particularly for international wire transfers
- **Bank Name**: The name of the financial institution where the wire will be sent
- **Address**: Mailing address for bank where the wire will be sent

*Caution: Incorrect information may delay the processing of a wire transfer.*
Accounting Information:

- If the payment is being charged to a department, enter the fund, department, account number, program code (if applicable) and dollar amount of the wire
- If the payment is being charged to a project/grant, enter the project/grant number, account number and the dollar amount of the wire

Wire Purpose/Special Instructions:

Enter a brief explanation of the purpose of the wire transfer. Attach all relevant documentation to support the request.
