Select Option

- ☐ If you are NOT interested in obtaining Federal Student Loans for your educational expenses for the 2025-2026 academic school year and would like your financial aid processed without including student loans, please sign below.
- ☐ If a borrower whose prior loan was discharged due to total and permanent disability wishes to take out another federal loan, they must obtain a physician's certification that indicates they have the ability to engage in substantial gainful activity. The borrower must sign the statement below.

1. Attach a Physician's certification/statement that you have the ability to engage in substantial gainful activity.
*This generally means that you have sufficiently physically recovered and are capable of attending school, successfully completing a program of study, and securing employment in order to repay the new loan you are seeking.
2. By signing below, you are requesting Federal Loan funds. In addition, you are aware that any new Federal Loan cannot later be discharged for any present impairment unless it deteriorates so that you are again totally and permanently disabled. If your prior loan was conditionally discharged, and the conditional period has not elapsed, you are affirming by signing below that collection will resume on the conditionally discharged loan. Furthermore, unless your condition substantially deteriorates, the prior loan cannot be discharged in the future for any impairment present when the conditional discharge was granted or when you requested the new loan.

*Your financial aid will not be processed without the physician's certification to support your request for new federal loans.
