The purpose of this policy is to ensure the proper administration of the university’s purchasing and inventory disposal activities.

(B) Policy

(1) Opening Statement

Bowling Green State University shall conduct its procurement activities in an efficient and cost-effective manner that supports the mission of the university while maintaining compliance with applicable state and federal laws and regulations. All university procurement activities shall be administered through the Division of Finance and Administration and will be conducted in a manner that is compliant with the university Purchasing Manual and best practices.

(2) Competitive Bidding will be required in the following circumstances:

(a) The purchase or lease of any equipment, material and supplies when the cost is twenty-five thousand dollars or greater; The procurement of services when the cost is fifty thousand dollars or greater; Construction contracts when the estimated cost is two hundred thousand dollars or greater;
Competitive quotations may also be solicited for purchases below the established competitive bidding limits whenever it would best serve the interests of the university.

(b) Any purchase or lease of any material, equipment, supplies, or services subject to competitive bidding shall be advertised in a way that is determined to be in the university’s best interests.

(3) Waiver of Competitive Bidding

The Purchasing Department has the authority to waive competitive bidding when any of the following requirements are met:

(a) Sole source vendor – as determined by the responsible purchasing officer, and approved by the Vice President of Finance and Administration (VPFA) or in the absence of the VPFA, by the university’s President.

(b) Emergency situation requiring such action – as determined by the President, Vice President of Finance and Administration, or his/her designee.

(c) Need to utilize an existing vendor or to maintain consistency of good/product where changing vendors or utilizing different brands would result in additional cost, or result in incurring unnecessary or excess costs to facilitate a change – as approved by the responsible purchasing officer based on satisfactory supporting documentation.

(d) Existing State of Ohio contracts, Inter-University Council contracts, Bowling Green State University contracts or other institutional memberships extending pricing to the university are utilized as a source for the established price.

(4) Contract Requirements

Bowling Green State University requires purchase orders or vendor contracts when procuring goods or services for the University, except for purchases made through the BGSU Purchasing Card
(PCard) Program. An Independent Contractor Agreement is required of all contractors working on behalf of BGSU. The defined signatory per the Delegation of Contract and Signatory policy #3341-1-7 must approve all contracts and Independent Contractor Agreements.

(5) Conflict of Interest

No employee, officer or agent of BGSU may participate in the selection, award or administration of a contract if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer or agent, any member of his or her immediate family, his or her partner, or organization, which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The employees, officers or agents of BGSU may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts.

(6) Grants Procurement

(a) All grant expenditures with a cost exceeding $3,500 requires supporting documentation demonstrating that at least two price quotes were obtained for cost comparison. This documentation can be in the form of formal vendor quotes or screenshots of online vendor pricing.

(7) Vendors and Related Ethical/Legal Issues

Bowling Green State University recognizes the importance of having strong, mutually rewarding relationships with the vendors with whom it does business. The university seeks to maintain and improve these relationships by treating vendors in a fair and equitable manner. Individuals authorized to place purchase orders with vendors on behalf of the university shall do so in accordance with the BGSU Code of Ethics Policy and shall not allow relationships with these vendors and/or their employees to influence the award.

(8) Buy Ohio

The university shall give preference in its purchasing activities to products that are produced or mined in Ohio and to bidders that
qualify as having a significant Ohio economic presence in accordance with Ohio Revised Code §§ 125.04(B) and 125.11(B). This requirement may be waived when compliance would result in the university paying an excessive price for the product or acquiring a disproportionately inferior product.

(9) Buy America

Ohio Revised Code §§ 125.04(B) and 125.11(B) stipulate that state agencies and public colleges or universities shall give preference in their purchasing activities to products produced, mined, or manufactured in the United States.

(10) Equal Employment Opportunity Requirement

Bowling Green State University requires that a supplier in bidding and/or filling a purchase order agrees not to discriminate against any employee or applicant for employment with respect to tenure, terms, conditions, or privileges of employment, or any matter directly related to employment, because of ethnicity/race, religion, color, gender, sexual orientation, age, veterans and persons with disabilities, or national origin. The supplier also must agree that every subcontract shall contain a provision requiring nondiscrimination in employment.

(11) Minority Business

The university shall seek to set aside a specified percentage of its estimated value of all purchases per year for competition by certified minority business enterprises in accordance with Ohio Revised Code § 125.081.

(12) Purchases from Employees

A proposed contract for the purchase of goods or services by the university that involves any of the following factors is presumptively invalid, and must first be reviewed for compliance with the Ohio ethics law and related statutes:

(a) A university employee would provide the goods or services;
(b) A university employee has, or could be perceived as having, an interest in the vendor’s profits or benefits from the contract;

(c) A university employee has, or could be perceived as having, a position of profit in the vendor’s performance of the contract;

(d) A university employee has, or could be perceived as having, authority or influence to secure authorization of a contract in which the employee, the employee’s family member, or the employee’s business associate has an interest; or

(e) A university employee would have a definite and direct pecuniary interest in the contract.

No contract involving any of the foregoing factors may be signed or otherwise authorized on behalf of the university unless it has first been approved in writing as to legal form by the Office of General Counsel.

(13) Asset Control and the Sale or Disposal of university Equipment

(a) Equipment purchased with university funds, or held and identified as an asset of the university, shall be subject to university inventory control procedures. All equipment with a value in excess of three thousand five hundred dollars (capitalization threshold) with a life expectancy of more than one year must be tagged and assigned an inventory control number. Each year the Controller’s office will issue an asset summary report to all department asset custodians. All university fixed assets are subject to Internal Audit review.

(b) The Business Operations Department, working with the Controller’s Office, has responsibility for the sale or disposal of property by one of the following methods:
(i) Redistribution within the university community;

(ii) An advertised public auction with the property being sold to the highest bidder;

(iii) Pursuant to competitive bidding procedures with the award being made to the highest bidder;

(iv) An advertised public sale with the property having a price assigned to each item and sold to the public at a stipulated time and place; or

(v) Property may be disposed of in ways determined to be the most economical for the university.

(c) No employee of the university who has participated in the following:

(i) Determination to dispose of property, preparation of property for sale, determination of the method of sale, or who has acquired information not otherwise available to the general public regarding usage, condition, quality or value of property may then bid on or purchase any property offered for sale by the university.

(ii) To qualify as a purchaser of such property, an employee of the university may be asked to certify in writing that he/she has not participated in any of the activities or acquired information as specified herein above.

(14) Personal Purchases

No personal purchases are permitted to be made, either via the purchase order system, a payment request, the university’s purchasing card or other institutional purchasing methodology. In addition, no employee may use the university’s name or present
him/herself as an agent of the university when making personal purchases.
