

3341-2-9 Consumption.

Applicability	All University units
Responsible Unit	Office of Campus Activities
Policy Administrator	Associate Dean of Students

(A) Policy Statement and Purpose

The purpose is to notify student organizations that events that promote or require eating and/or drinking contests are prohibited for health and safety reasons.

(B) Policy

Any activity, program or event that requires or promotes the over consumption of or over-indulgence in foods and/or liquids (e.g., any contest involving food or drink, etc.) is prohibited due to the significant health risks associated with these activities.
