

## 2020 Outstanding Graduate Student Teaching Awards Nomination Form

Nominations should be forwarded to the nominee's Graduate Program Coordinator several weeks prior to the final due date, so the Coordinator has time to solicit the nominee's materials. The Graduate College will only accept one application per degree program for each award (the TA and the TI) from the Graduate Coordinator. In the event that more than one nomination is forwarded to the Graduate Coordinator, it is the responsibility of the program's graduate faculty to meet to determine which nomination will be forwarded to the Graduate College. The Graduate Coordinator will then submit one nomination to the Graduate College by the February 8, 2021, deadline.
