Program 1 with Plan Code: _____

Program 2 with Plan Code: _____

I am requesting to complete:

- Dual Master's Degree ([Policy 3341-3-74](#))
 - Basic core requirements for both programs must be completed.
 - Students can share up to 9 course credits between programs, if academically appropriate and approved by both programs
 - Shared culminating experience with content drawn from both program must be completed. Maximum amount of shared culminating experience credits is 6.
- Second Master's Degree ([Policy 3341-3-73](#))
 - Basic core requirements for both programs must be completed.
 - Students can share up to 9 course credits between programs, if academically appropriate and approved by both programs
 - Must complete separate culminating experiences in each master's program. No shared culminating experience credits are permitted.

Rationale for Request:

Required Items - Please check to indicate completion of the following:

Regular admission to the above listed programs.

Review of [Dual Master's Degrees](#) and [Second Master's Degree Policies](#).

Review of degree audits for each program and discussion with Graduate Program Coordinators to identify courses applicable for shared credit.

The signature of the student acknowledges that, including any approved shared credits, the total minimum credit and curricular requirements of both master's degree programs must be met, and indicates responsibility for securing course approvals for shared credits from Graduate Coordinators.

Student Signature

The signature of the graduate program coordinator indicates approval for the student to pursue a Dual or Second Master's Degree as requested by the student, and agreement to submit courses approved for shared credit to the Graduate College prior to the semester of graduation.
