MEMORANDUM

TO: Carl Walling, President
Graduate Student Senate

FROM: James W. Wiegand,  Director
Public Safety and Chief of Police

RE: Transportation/Shuttle Fee – Information

Parking Information

As requested during our meeting on February 4, 2010, with this memorandum I hope to provide additional information that Graduate Student Senate (GSS) may use to reconsider its support of the Undergraduate Student Government (USG) resolution to implement a Transportation Fee that will allow for the expansion of the Shuttle and improvement in our ability to maintain and improve our University parking lots.

As you are aware the majority of the funding for the Shuttle Service is derived from the Parking Services budget (see attachment). The impact of using this funding model has been a reduction in the available fund to maintain parking lots at an acceptable level. We presently have a 2.2 million dollar deferred maintenance issue for our parking lots (copy attached).

The implementation of the approved Undergraduate Student Government resolution for a \$20 per semester transportation fee would generate approximately \$600,000 in revenue for exclusive use by the Shuttle Service. The fee would return over \$450,000 to the Parking budget. These dollars would be used to bring the present parking lots up to an acceptable condition, add new lots and develop an annual maintenance plan.

Shuttle Information

Concerning the “semester fee” or “pay as go” funding strategies for the Shuttle Service, we understand that undergraduate students represent the majority of the shuttle riders. From a policy prospective, we are recommending the semester fee strategy because this strategy provides a stable financial base for a public transportation system. Similar to other fee-based services on campus, not all students utilize all of the services that are available to them. For example, the campus Recreation Center program is not utilized by all students. Pragmatically, the pay as you go strategy would require each student to pay a fee or show a validated ID to enter the Shuttle. During peak hours of operation these additions would create logistical problems and slow the routes to a point of inefficiency.

Carl Walling
February 16, 2010
Page 2

As for improving the operation and determining how to best use any new funding, I would recommend that a committee consisting of members of GSS and USG be formed to work with the Department of Public Safety to develop the operation of the proposed Downtown Route and make recommendations concerning how to improve Shuttle routes both on and off campus.

The Shuttle Service is an important public transportation program for the University community. The service has been continually improved over the years and funded at the expense of the Parking Services program. The Transportation Fee will stabilize financial support for the program, while permitting the Shuttle Service to work with USG and GSS to expand and improve service to areas of the community where students live and work. Your review of the Transportation Fee is appreciated. I look forward to discussing that matters with GSS and yourself.

CHARLES E. SHANKLIN AWARD FOR RESEARCH EXCELLENCE 2009-2010

The CHARLES E. SHANKLIN AWARD FOR RESEARCH EXCELLENCE (hereafter the SHANKLIN AWARD) was established by Graduate Student Senate as a meritorious award to recognize excellence in original research by graduate students at Bowling Green State University. Mr. Charles E. Shanklin, a Bowling Green State University alumnus, generously contributed funds to Graduate Student Senate to further graduate research; thus, a special account for the SHANKLIN AWARD was established.

I. ELIGIBILITY CRITERION

Any graduate student currently registered at BGSU and in good standing with the established requirements of the Graduate College is eligible to compete for the Shanklin Award.

All forms of original research conducted at least in part while a graduate student at BGSU (including portions of dissertation and thesis work) are eligible for consideration. Each eligible student may submit one written research report per academic year. For co-authored papers, each author must meet the eligibility criteria. Failure to attend any of the competition events (oral presentation and reception) will result in disqualification from the competition.

II. DEADLINE FOR SUBMISSION

Only one paper may be submitted per graduate student, however, each individual graduate student may specify the division that they wish to enter.

Students should submit papers to:

Honors and Awards Committee
Graduate Student Senate Office
402 Bowen-Thompson Student Union

The deadline is Friday, February 23, 2010 at **4:00 p.m.** Please note: Any papers received in the Graduate Student Senate Office after this deadline will **NOT** be eligible for competition.

III. THE STRUCTURE OF THE SHANKLIN AWARD

There will be a 1st place award of \$1,250.00 and a runner-up award of \$750.00 in each of the following divisions:

THE SHANKLIN COMPETITION

I. Preliminary Competition

Written research reports will be submitted to the Graduate Student Senate Honors and Awards Committee (please see the Instructions for Submission of Papers). The Chair will then forward the papers to the judges of the appropriate division *after author and department of enrollment have been deleted*. The judges will then select two finalists from each division (please refer to The Evaluation Criteria for the Preliminary Competition).

II. SHANKLIN FINALIST PRESENTATION SESSION

The two finalists in each division will give a 12-15 minute presentation of their paper followed by a 3-5 minute question and answer period on Thursday, April 22, 2010 at 4:00-6.00pm in 201 Bowen-Thompson Student Union. First place and runner-up positions will be determined on the basis of written research reports, oral presentations, and responses to questions (please refer to Evaluation Criteria for the Presentation).

Finalists will be notified by April 1, 2010. The judges' final awards decision will be announced at the Shanklin Ceremony following the Presentations at the Shanklin award ceremony on the evening of April 22nd, 2010.

III. COMPOSITION OF THE PANEL OF JUDGES

Faculty from each category will be invited by the Honors and Awards Committee to serve one-year terms. The panel of judges will consist of nine members of the graduate faculty and there will be three faculty members from each of the discipline categories of Arts & Humanities, Sciences and Mathematics, and Social Sciences and Behavioral Sciences. The judges of each division will evaluate the written research reports within their respective divisions and choose two finalists. The entire panel of nine judges will evaluate the finalist's research papers and oral presentations to determine the first place and runner-up awards in each division.

IV. EVALUATION CRITERIA FOR THE PRELIMINARY COMPETITION

The finalists in each division will be selected on the quality of their research as reflected in their written report. The report will be evaluated for:

1. Demonstrated comprehension (understanding and explanation of problem and objectives of research)
2. Thoroughness of research (literature review, analysis of data.)
3. Content (organization, consistency, and quality of writing)
4. Originality and uniqueness

These qualities should be reflected in the abstract as well (see Instructions for Submission of Papers). In the initial stages of evaluation, the abstract will play an important role in the determination of potential finalists.

IV. EVALUATION CRITERIA FOR THE FINAL PRESENTATION

In addition to the written report, finalists will be judged on the quality of an oral presentation of their research. Visual aids (power point presentations, slides, film, etc.) may be used. The presentation will be evaluated for:

1. Clarity - Finalists should make their presentation understandable to an audience of all divisions.

2. Merit - The oral presentation should demonstrate the same qualities exhibited in the written report.
3. Professionalism – Punctuality and professional attire is mandatory for all finalists. The report should be presented in a professional manner. Responding to questions is included in this category.
4. Timing - Finalists must limit their oral presentation to 10 minutes followed by a 3 minute question and answer session.

INSTRUCTIONS FOR SUBMISSION OF A SHANKLIN AWARDS PAPER

Papers not conforming to these guidelines will be returned to the author. Returned papers may be corrected and re-submitted prior to the deadline. No extensions will be granted. Four (4) copies of your submission must be received in the Graduate Student Senate Office by 4:00 p.m. on Friday, February 23, 2010. It is suggested that you hand-deliver your submission, rather than rely on campus mail, as it must be received in the Graduate Student Senate Office by the deadline.

Cover Page

The cover page will include the title of the paper (if the research has been published, list here the full journal reference), the author's name, e-mail address, phone number, department of enrollment, and division of competition in which the paper will compete.

IMPORTANT NOTE: Only include your name and department of enrollment on the cover page. Please note that only stapled copies will be accepted for submission in the GSS office.

Abstract*

In many ways the abstract is the most important portion of the paper. It provides the judges with an overview of your work and, in the crucial initial stages of the evaluation, to determine potential finalists.

A one page (maximum) abstract will follow the cover page. The abstract must be on a separate page. The abstract should be a succinct and clear synopsis of the work that states the problem, specific objectives, methods and procedures, results and conclusions of the research.

Body of the Paper*

The body of the paper may not exceed **15 typed, double spaced pages, on 8.5 x 11 paper** (including footnotes and endnotes, but not including tables, figures, references, and appendices). The pages must be numbered. Given the potentially large number of papers to be evaluated by the judges, papers exceeding the 15-page limit will not be accepted and will be returned to the author.

The paper should be formatted with 1" top, bottom, right, and left margins and all pages must be numbered (in the top, right-hand corner). The font size should be 12 point and the print quality must be sharp and clear *on all four copies*.

Submit **4 copies** of the paper by 4:00 p.m., Friday, February 23, 2010 to:

Honors and Awards Committee
Graduate Student Senate
402 Bowen Thompson Student Union

Please note that papers, which are submitted through the Shanklin Awards Process, are automatically eligible for non-juried presentation at the Charles E. Shanklin Colloquium on April 22, 2010. Please check the Shanklin Colloquium box if you plan to present the paper at the colloquium.

*Adapted from Thesis and Dissertation Handbook: The Graduate College, Bowling Green State University, and 2nd Edition.

INSTRUCTIONS FOR SUBMITTING TO THE SHANKLIN COLLOQUIUM

This year Graduate Student Senate will sponsor a graduate colloquium named in memory of Charles E. Shanklin on April 22, 2010. The Charles E. Shanklin colloquium will highlight the significant research and efforts of graduate students here at BGSU.

The colloquium is a graduate student research conference. There are three submission categories:

Conference Paper:	Non-Juried 20-25 minute conference paper presentations.
Poster Session:	Juried poster exhibition in the BTSU Grand Ballroom held throughout the day
Creative Presentation:	Individual or Group Creative Presentation or Performance in the BTSU Theatre starting at 9.00pm or site-specific performances during the day.

Submissions

Submissions not conforming to these guidelines will not be considered. No extensions will be granted. Three **(3)** copies of your submission **must** be received in the Graduate Student Senate Office, **402 Bowen-Thompson Student Union**, by **4:00 p.m.** on Friday, March 15, 2010. It is suggested that you **hand-deliver** your submission, rather than rely on campus mail, as it must be **received** in the Graduate Student Senate Office by the deadline.

Cover Page

The cover page will include the title of the paper (if the research has been published, list here the full journal reference), the author's name, e-mail address, phone number, department of enrollment, and division of competition in which the paper will compete.

Abstract

A one page (maximum) abstract should be stapled to the cover page. The abstract must be on a separate page. The abstract should be a succinct and clear synopsis of the work that states the problem, specific objectives, methods and procedures, results and conclusions of the research. If the proposal is for a creative presentation, please summarize the event.

Notification Guidelines

On April 8, 2010, Graduate Student Senate will notify selected students to present at the Shanklin Colloquium. Graduate Student Senate will endeavor to provide every graduate student with an opportunity to present their research; however, given significant limitation of available spaces and time throughout the day, we may not be able to accommodate every request.
