Re: Funds transfer to Student Recreation Center Renovation

Early this fall, VP Stoll and VP Carr reached out to the BGSU student governments asking for support on reallocating funds from the Stroh Center to the Student Recreation Center to pay for final renovations to the building. On September 24, 2013, the Graduate Student Senate (GSS) Executive Board held a special meeting to discuss the impact of the funding transfer on BGSU graduate students. At that time the GSS Executive Board requested more information about the expenditures the newly reallocated funds would be covering.

To follow up on the request from the GSS Executive Board, Elizabeth Witter, the Representative-at-Large of GSS, had a meeting with VP Carr and VP Stoll to go over the renovation plans. After the meeting, we, the Graduate Student Senate Executive Committee, support the one-time transfer of the remaining bond funds leftover from the Stroh Center to the Student Recreation Center renovation.

If you have any questions regarding this letter or our stance regarding this reallocation of funds, please do not hesitate to contact me at (419) 372-2427 or by email at glingx@bgsu.edu.

Respectfully,

Lingxiao Ge
Graduate Student Senate President
